Donovan,1968 The Anglo American airlift to supply Berlin when it was deprived of surface transportation in the summer of 1948 was a dramatic undertaking The closing of the roads railroads and canals into the city by the Russians was a siege which if successful would have compelled the surrender of the German capital to the Communists to prevent the starvation of the populace The airlift broke the siege something that had never before been accomplished by airpower When the airlift started no one believed that a city of over 2 000 000 people could be sustained exclusively by airborne supplies It broke new ground in the logistics of airpower It taught technical lessons that guided future air policy p v A Journey to Heaven Cheng'en Wu,1913

for their young son. But a devastating secret from her husband's past threatens to derail her struggle to save the property and keep her son by her side. Former soldier JB Beaton's wartime injuries and personal losses have left him with scars both inside and out. Believing he's too damaged to be the father his son deserves, he leaves him with his sister and takes on a job as a farmhand far away from the city and his failures. Poppy, battling the elements and the heartache of her husband's secret, finds the new farmhand is never far from her thoughts, and JB's world is thrown into disarray by one of the most beautiful and capable women he has ever met. Neither can battle the surge of attraction they both feel. In a small town where gossip reigns, will they surrender to duty or follow their hearts? You'll be cheering for this wartime Australian heroine well before the last page as she fights to find her voice, her feet, and love after heartbreak.
