THE WARREN COURT

A Critical Analysis
Edited by Richard H. Saylor
Barry B. Boyer and
Robert E. Gooding, Jr.

Warren Court A Critical Analysis

S Marginson

Warren Court A Critical Analysis:

The Warren Court Richard H. Sayler, Barry B. Boyer, Robert E. Gooding, 1969 **Warren Court; A Critical Analysis** WARREN COURT., 1969 *The Warren Court : a Critical Analysis* Richard H. Sayler (ed), 1969 **The Warren Court: A Retrospective** the late Bernard Schwartz, 1996-10-10 A judge made revolution The very term seems an oxymoron yet this is exactly what the Supreme Court under Chief Justice Earl Warren achieved In Bernard Schwartz's latest work based on a conference at the University of Tulsa College of Law we get the first retrospective on the Warren Court a detailed analysis of the Courts accomplishments including original pieces by well known judges professors lawyers popular writers such as Anthony Lewis David Halberstam David J Garrow and a rare personal remembrance by Justice William J Brennan Jr The Warren Court A Retrospective begins with an examination of the Courts decisions in a variety of different fields such as equal protection freedom of speech freedom of the press and criminal law The work continues with *The Justices* an intimate look at the principal protagonists in the Courts operation Then in *A Broader Perspective* the book looks at the Court from an historical perspective demonstrating its impact on the legal profession and jurisprudence its international impact and its legacy Both readable and informative *The Warren Court A Retrospective* provides an invaluable source for anyone interested in the Court that did so much to change America **The Warren Court in Historical and Political Perspective** Mark V. Tushnet, 1993 The tenure of Earl Warren as chief justice of the United States Supreme Court 1953-69 was marked by a series of decisions unique in the history of the Court for the progressive agenda they bespoke What made the Warren Court special How can students of history and political science understand the Warren Court as part of constitutional history and politics To answer such questions nine well known legal scholars and historians explore how each justice contributed to the distinctiveness of the Warren Court in Supreme Court history [The Strange Career of Legal Liberalism](#) Laura Kalman, 1998-08-11 Legal scholarship is in a state of crisis Laura Kalman argues in this history of the most prestigious field in law studies constitutional theory Since the time of the New Deal says Kalman most law scholars have identified themselves as liberals who believe in the power of the Supreme Court to effect progressive social change In recent years however new political and interdisciplinary perspectives have undermined the tenets of legal liberalism and liberal law professors have enlisted other disciplines in the attempt to legitimize their beliefs Such prominent legal thinkers as Cass Sunstein Bruce Ackerman and Frank Michelman have incorporated the work of historians into their legal theories and arguments turning to eighteenth century republicanism which stressed communal values and an active citizenry to justify their goals Kalman a historian and a lawyer suggests that reliance on history in legal thinking makes sense at a time when the Supreme Court repeatedly declares that it will protect only those liberties rooted in history and tradition There are pitfalls in interdisciplinary argumentation she cautions for historians reactions to this use of their work have been unenthusiastic and even hostile Yet lawyers law professors and historians have cooperated in some recent Supreme Court cases and Kalman

concludes with a practical examination of the ways they can work together more effectively as social activists

Principles and Practice of Forensic Psychiatry, 2Ed Richard Rosner, 2003-02-28 The second edition of this award winning textbook has been thoroughly revised and updated throughout Building on the success of the first edition the book continues to address the History and Practice of Forensic Psychiatry Legal Regulation of the Practice of Psychiatry Psychiatry in relation to Civil Law Criminal Law and Family Law Important

A Storm Over this Court Jeffrey D. Hockett, 2013 On the way to offering a new analysis of the basis of the Supreme Court's iconic decision in *Brown v Board of Education* Jeffrey Hockett critiques an array of theories that have arisen to explain it and Supreme Court decision making generally Drawing upon justices books articles correspondence memoranda and draft opinions *A Storm over This Court* demonstrates that the puzzle of *Brown*'s basis cannot be explained by any one theory Borrowing insights from numerous approaches to analyzing Supreme Court decision making this study reveals the inaccuracy of the popular perception that most of the justices merely acted upon a shared liberal preference for an egalitarian society when they held that racial segregation in public education violates the equal protection clause of the Fourteenth Amendment A majority of the justices were motivated instead by institutional considerations including a recognition of the need to present a united front in such a controversial case a sense that the Court had a significant role to play in international affairs during the Cold War and a belief that the Court had an important mission to counter racial injustice in American politics *A Storm over This Court* demonstrates that the infusion of justices personal policy preferences into the abstract language of the Constitution is not the only alternative to an originalist approach to constitutional interpretation Ultimately Hockett concludes that the justices decisions in *Brown* resist any single elegant explanation To fully explain this watershed decision and by implication others it is necessary to employ a range of approaches dictated by the case in question

The New York Times Book Review, 1969 Antitrust and Business Regulation in the Postwar Era, 1946-1964 Robert F. Himmelberg, 1994 **The Warren Court and the Pursuit of Justice** Morton J. Horowitz, 1999-04-30 A study of the Supreme Court under the leadership of Chief Justice Earl Warren from 1953 to 1969 discussing the impact of the liberal court's civil rights and civil liberties decisions on American constitutional law

University of Pennsylvania Law Review, 2004 The Hastings Law Journal, 1971-04 The Negro in Print, 1970 Some issues include brief book reviews

Decision Making in the Supreme Court of the United States Joseph Francis Menez, 1984-04-25 Great Events from History: American Series: 1904-1969 Frank Northen Magill, 1975 The three volume American Series of Great Events from History begins with the arrival of the Indians the first Americans from Asia and ends with the first manned lunar landing in 1969 Between these two noteworthy happenings 336 additional events are studied in depth through the scholarly literature they have inspired Preface

Choice Richard K. Gardner, Phyllis Grumm, 1976

American Rights Policies Jay A. Sigler, 1975 **Detroit College of Law Review**, 1977 **People in Books** Margaret E. Nichol森, 1977
