Warrior Without A Cause:

Warrior's Return Edward Tick, Ph.D., 2014-11-01 War touches us all leaving visible and invisible wounds on the warriors who fight disrupting their families and communities and leaving lasting imprints on our national psyche In spite of billions spent on psychological care and reintegration programs we face an epidemic of combat related conditions such as PTSD Post Traumatic Stress Disorder With Warrior s Return Dr Edward Tick presents a powerful case for changing the way we welcome our veterans back from service a vision and a path for transforming the wounds of war into sources of wisdom honor and growth After more than 35 years of working with veterans Dr Tick has learned that our conventional ways of addressing the trauma and woundings of war fall far short usually focusing only on symptoms and temporary relief Drawing on lessons from cross cultural wisdom mythical archetypes and proven methods from psychology he offers this book as a valuable resource to help families caregivers and returning veterans understand and cope with the life changing effects of combat including Re examining PTSD why we must expand our understanding of the full psychological and spiritual impact of war s invisible wounds Archetype of the warrior service in combat as a journey to the underworld and why the return home is the most crucial stage The warrior s path timeless wisdom from tradition classical philosophy great leaders and religious and mythological sources How cultures around the world have welcomed home their returning warriors for centuries and what we can learn from them The warrior s initiation how the old self dies on the battlefield and a new more mature self evolves in its place Restoration methods for overcoming disillusionment and soul fatigue to restore the warrior s sense of purpose motivation and connection Coming home specific steps for reintegrating our warriors back into our families and communities Honor how a warrior can retain personal integrity and self respect even when they have participated in a war they don t believe in Forgiveness reconciliation and atonement ways for warriors to close the circle and begin healing what was destroyed This is not a hopeless situation states Dr Tick Lifelong suffering after war is not inevitable if we understand war s impact on the heart and soul both for ourselves and our culture For veterans and those who wish to support them *Warrior s Return* offers step by step guidance for initiating our transformed warriors into valued members of our community with an essential map for the hero s journey home A portion of the proceeds will be donated to Soldier s Heart Visit soldiersheart.net
