K. Hume,2013-11-12 Could all that King Arthur fought for be lost From the author of *The Merlin Prophecy* a trilogy that Kirkus Reviews proclaimed will appeal to those who thrill to *Game of Thrones* the second installment in the action packed historical trilogy is the epic tale of Arthur s efforts to save the heart of his kingdom *Warrior of the West* King Arthur s Journey Continues Twelve years have passed since Arthur was crowned High King Against all odds he has united Celtic Britain and banished the Saxons Although he s succeeded in defeating all external threats and his kingdom is at its zenith it is now being undermined from within Arthur has chosen evil Wenhaver as his queen and second wife Wenhaver will always love what she cannot have and have what she cannot love and her bitterness threatens to bring down all those around her Arthur is betrayed by his wife and also learns of appalling perversion at the heart of his kingdom With his guide and master tactician Myrddion gone Arthur must decide how to proceed if he wishes to see Britain stand strong The fate of a kingdom rests on his shoulders and his selflessness is put to the test Could all that Arthur has bought for be lost forever [Homer's Iliad: A Retelling in Prose](#) David Bruce,2012-10-10 This is a retelling of Homer s great epic poem about the Trojan War The Iliad in novel form *Esther* John Masefield,1922 **Alien Barbarian's Queen** Miranda Martin,2020-05-12 I do not desire death but if that is my destiny to protect my Queen then so be it Eve After the fall homeless folks like I became were shut out of the system Not even my medical degree saved me from the fate so many experienced Living rough with a group of women and children we end up attached to a roving military unit when hostile aliens attack Earth They re taking women by force to use in medical experiments I m left with two goals Stay alive and see that the eight year old girl I ve adopted survives long enough for help to arrive When women start falling ill to some unknown contagion which makes them irrationally aggressive we have to move twice as fast to avoid contracting it I don t even know where to turn for help When a Draconian ship lands and hundreds of warriors pour out I can t help being suspicious Are they friend or foe One or the other I m not taking any chances with my little girl counting on me to keep her safe Rruk I left our home world looking for action and adventure What I found was the Queen of my heart with a tiny queen of her own Though I had dreamed of battle scars to mark me as a warrior of worth instead I got wounds to my heart as these two cleave their way into my affections I am a foolish male to make myself their protector during times of war Their world is under siege by

vicious parasites and their Moltan handlers Every day is filled with endless fighting danger looms near the Queens of my heart as my comrades fall around us I am the only thing that stands between my Queens and a fate worse than death I don't want to die but I will do whatever it takes to protect my Queens If death is to be my destiny then so be it *Falcon, the Wolf, and the Hummingbird* Martha Engber, 2023-09-19 A consummate warrior and brilliant strategist Pino is a young Native American woman who must fight against fierce invaders to save her tribe and spirit from annihilation in precolonial southern New England The strange tale of sisterhood begins on the stormy spring morning her tribe faces imminent attack by a contingent of the mighty Pagassett Nation infamous for destroying small tribes in its quest for land and power Pino knows this is the moment she's been waiting for a chance to save her people and maybe maybe redeem herself for failing to rescue her beloved sister murdered ten summers ago Aided by her best warrior and forbidden love Tow and key tribal leaders who witness Pino's gift for camouflage she clandestinely influences strategy in the short but wildly intense conflict She soon discovers her real opposition is Meesha a beautiful near slave taken in by the invading tribe when just a girl By learning how the other operates the women form an intimate almost magical sisterhood in their internal fight to free their inner demons
