Group Counseling Robert C. Berg, Garry L. Landreth, Kevin A. Fall, 2013 First published in 1979 Group Counseling has
consistently been a widely used and praised text providing both novice and experienced counselors with a framework from
which to expand their group counseling skills and knowledge This fifth edition has been thoroughly revised and updated to
reflect the newest work in the field the 2009 CACREP standards and the Association for Specialists in Group Work practice
standards As in the previous editions the authors draw upon their extensive experience and share their own styles of leading
groups as a personal and practical way to illustrate the differences in group leadership Berg Landreth and Fall present a
thorough discussion of the rationale for using group counseling with an emphasis on the group's role as a preventive
environment and as a setting for self discovery The authors examine the group facilitator's internal frame of reference and
ways to overcome of initial anxiety about leading groups and they also explore typical problems in the development
facilitation and termination of the group process and provide suggested solutions Application of group counseling is
considered with children adolescents adults as well as with special populations such as abused children juvenile offenders
and individuals with emotional difficulties A helpful glossary of group counseling terminology provides a quick reference
source for important terms New to this edition are a chapter on diversity and social justice in group work an expanded
chapter on co leadership a topic often ignored in other group counseling texts separate chapters on group work with children
and group work with adolescents so that reader can focus more easily on the unique aspects of working with each population
a chapter on evaluating groups at the leader group and individual member levels A collection of supplemental resources is
available online to benefit both instructors and students Instructors will find PowerPoint slides and test banks to aid in
conducting their courses and students can access questions for thought and reflection to supplement their review of the
chapters in the text These materials can be accessed at www.routledge.com/health/cw/Berg

and Religion is the first major study of Michel Foucault in relation and response to Religion Jeremy Carrette offers us a
challenging new look at Foucault's work and addresses a religious dimension that has previously been neglected We see that

prior to Foucault's infamous unpublished volume in the History of Sexuality on the theme of Christianity there is a complex religious sub text which anticipates this final unseen work Jeremy Carrette argues that Foucault offers a twofold critique of Christianity by bringing the body and sexuality into religious practice and exploring a political spirituality of the self He shows us that Foucault's creation of a body theology through the death of God reveals how religious beliefs reflect the sexual body questions the notion of a mystical archaeology and exposes the political technology of confession Anyone interested in understanding Foucault's thought in a new light will find this book a truly fascinating read
