Zanzibar: The Motion Picture Jesse Mathes,2005-03-15 *Zanzibar* Jesse Mathes,2005-03 Grief is not something to get over If you ve ever lost someone you loved you already know how painful it is Death is the part of life we don t like to deal with Sudden death is devastating especially the loss of a child But whomever we lose the grief experience is as difficult as it is inevitable It is emotional work that requires the bereaved to become even more vulnerable By going through it we can find acceptance and eventually peace How I Survived the First Year is a mother s journal of grieving after the death of her 21 year old son in an auto accident It details the stages of her mourning and expresses the universal realizations we all must come to each time we encounter the face of death A road map it is not There are many paths to peace and we each must find our own road to recovery It is said that creativity is often born of sadness and pain In this particular account we can see the birth of story telling poems songs and inner reflections It is one mother s experience Perhaps it can help you find a way of confronting the losses of your life
