Zapped Again:

The Conscript Scott Bradley,2020-12-01 In a solar system with five planets each with its diverse race of people skin color and beliefs war breaks out between Cronos and Atheni The Athenians land six battalions in a small town on the Southern Ocean of Cronos and fight their way north The Cronish soon discover the Athenians are born warriors ruthless and relentless and the defending Cronish are like lambs brought to slaughter The Queen of Cronos scrambles to defend her planet while her daughter Princess Charline heads off on a mission of her own making As more Athenian troops land and cities collapse two young Cronish girls Rose and Ebony escape to a space freighter Subsequently the ship and all on board are conscripted into the army Here is a tale of wondrous worlds mysterious intrigue and non stop suspense Discover shocking revelations ponder baffling mysteries and then watch to see if someone will turn to face their seemingly indestructible enemy and provide the Cronish people with some semblance of hope **Transformation of a Common Man**

James E. Frazier,2002-07-29 From Time Beyond all time he came From the misty fire of Light and Sound he descended into Form I AM I AM his name thundered through the infinite void Demons stirred Ancient gods of the earth and angels of heaven awoke to peer through misty veils of eternity The time of reaping had come to God s last creation to man on earth to the blue white world of water to the Garden planet Shining angels shook moist golden wings Demons rattled dry curses from leathery throats Giants sylphs and avatars all wanted in the game The time has come again for the Host From the white haired Old Man flowed a joyous song for all to hear Let the Play of Life begin Let the Play of Life begin **Generation Multiplex**

Timothy Shary,2009-01-27 When teenagers began hanging out at the mall in the early 1980s the movies followed Multiplex theaters offered teens a wide array of perspectives on the coming of age experience as well as an escape into the alternative worlds of science fiction and horror Youth films remained a popular and profitable genre through the 1990s offering teens a place to reflect on their evolving identities from adolescence to adulthood while simultaneously shaping and maintaining those identities Drawing examples from hundreds of popular and lesser known youth themed films Timothy Shary here offers a comprehensive examination of the representation of teenagers in American cinema in the 1980s and 1990s He focuses on five subgenres school delinquency horror science and romance sexuality to explore how they represent teens and their concerns how these representations change over time and how youth movies both mirror and shape societal expectations and fears about teen identities and roles He concludes that while some teen films continue to exploit various notions of youth sexuality and violence most teen films of the past generation have shown an increasing diversity of adolescent experiences and have been sympathetic to the particular challenges that teens face **The Hidden Experiment** Laurie
