**Zen Way-Jesus Way** Tucker N. Callaway,2013-01-08 This groundbreaking book successfully fuses the two overlapping traditions of Zen Buddhism and Christianity Very few Christians who are interested in Zen Buddhism understand the fundamentals of the religion itself Most of the books which are available on Zen are superficial and fraught with caricatures and erroneous generalizations concentrating more on meditation than on the real essence of Zen Now the Christian who has been waiting for a clear and thorough explanation of Zen in terms he can understand has been provided with Zen Way Jesus Way a unique inside look at Christianity and Zen Buddhism by Dr Tucker N Callaway a committed Christian missionary who for twenty years has practiced zazen in Japanese temples in an effort to reach the heart of the faith Calloway has a knack for making philosophical concepts clear to the general reader and begins Zen Way Jesus Way by presenting the fundamental presuppositions of Zen and several of the concepts which are logically deduced from them Next he relates some of his experiences in Buddhist temples while explaining the practical applications of Zen philosophy Finally he interprets the Jesus Way in a manner that makes possible a genuine comparison with the Zen way Zen Way - Jesus Way Tucker N.

Callaway,1993-02 **Christ Way, Buddha Way: Jesus as Wisdom Teacher and a Zen Perspective on His Teachings**

Tim Langdell,2020-07-15 Putting aside what you think you know about Christianity and Christ s teachings and reading the gospels again as if for the first time Jesus emerges as a profound wisdom teacher whose teachings had a lot in common with those of Buddha This book explores Christ s teachings on non duality and his guidance on how to reach unity oneness with God through what he called metanoia going beyond meta thought noia through kenosis self emptying What emerges is a strong connection between Christ s teachings and Buddhism that reveals Jesus was clearly familiar with Buddhist teachings By viewing Christ s teachings through the lens of Zen common themes emerge that enable the author to recreate what Christ called The Way Christ s Way is reconstructed as a practical guide to waking up to your true self to your Christ Nature just as the mystics and Zen masters have described The author reviews what we know about Buddhism in the middle east at the time of Christ the influence of Greek philosophy on Christ s teachings and the long history of Greek Buddhists that pre dates Christ He also considers The Gospel of Thomas as being a rich source of Christ s teachings the earliest version of which may pre date the gospels or the writings of Paul This book explores the deep truths of Christ teachings hidden in plain sight showing how when misconceptions about his teachings are removed what emerges is a whole new view of Christianity for the 21st Century Christ as wisdom teacher Christ as a teacher of non dual awareness and as a guide to living fully in the present moment **The Buddha-Christ as the Lord of the True Self** Fritz Buri,1997 This translation of a 1982 volume published in Bern Paul Haupt Verlag by a Swiss theologian with a longstanding interest in dialogue between Buddhism and Christianity features an examination of the Kyoto school of Japanese philosophers who attempted to engage with both Christianity and

**Mysticisms East and West**

Christopher Hugh Partridge, Theodore P. C. Gabriel, 2003

Mysticism is proving to be the chosen type of religion for future generations of believers in the West As traditional institutional religion continues to decline mystical thought is celebrated as a vital subversive alternative Evidence for this religious cultural shift towards the mystical the experiential and indeed the creation centered can be found in bookstores most of which devote a large amount of shelf space to mystical themes and writers from the world religions While this shift is not new an increasing number of westerners are turning east because they find the fundamentally mystical thought of Asian religious traditions appealing Furthermore numerous westerners have actually become gurus and mystics within Eastern traditions

*Mysticisms East and West* examines the worldwide phenomenon of mystical experience across the world religions In examining both Christian and non Christian expressions of mysticism this unique volume brings together a number of prominent evangelical scholars to analyze the central historical cultural and theological issues Beginning in the East these studies in mystical experience gradually move to the West and to Christian mysticism before concluding with a number of philosophically reflective essays examining the implications and nature of mysticism
