Ziggy Stardust:

Ziggology Simon Goddard,2013 It was the greatest invention in the history of pop music the rock god who came from the stars which struck a young David Bowie like a lightning bolt from the heavens When Ziggy the glam alien messiah fell to Earth he transformed Bowie from a prodigy to a superstar who changed the face of music forever But who was Ziggy Stardust **Hallo Spaceboy** Dave Thompson,2006-06-09 By 1987 David Bowie was at a creative critical and commercial low His most recent album was dismissed by the music press his latest tour written off as a disaster Fifteen years after becoming the most colourfully controversial superstar in recent rock history Bowie was seen as a spent force Almost twenty years later Bowie has re established himself at the very peak of his profession in one of the most extraordinary comebacks in rock history His 1995 release of the critically astonishing 1 Outside album has been followed by equally groundbreaking efforts He is a content family man married to super model Iman and one of the richest musicians in the world While most biographies on Bowie still focus on his early years Hallo Spaceboy The Rebirth of David Bowie is the first to chronicle the comeback in detail Drawing upon exclusive interviews with fans colleagues and associates it is also the long gestating follow up to Dave Thompson s Moonage Daydream 1987 widely hailed among the best David Bowie biographies **Bauhaus** ,

David Bowie , **When Ziggy Played the Marquee** Terry O'Neill,2017 When Ziggy played The Marquee Club in Soho London in October 1973 most of those invited to the small venue did not realise that this would be the last performance David Bowie would ever give as Ziggy Stardust Terry O Neill celebrated photographer was given unprecedented access to document the event O Neill captured Bowie and his crew backstage as they went through costume changes and Bowie transformed into the character he d soon put to rest On stage dodging television cameras and lights O Neill snapped the incredible stage presence for which Bowie and his crew had become renowned O Neill remembers of Bowie He became a character on stage As much as a person takes a role in a play for the West End or on Broadway learning the lines putting on the costumes this was I think the way Bowie treated his stage This night at the Marquee I witnessed a modern day Hamlet and it was Ziggy Stardust AUTHOR Terry O Neill has had a star studded career He has been in the business of capturing the most iconic candid and unguarded moments of the famous and infamous for six decades His reportage photography chronicled the evolution of fashion in the post war era and later the emergence of bands such as The Beatles The Rolling Stones and The Animals and icons like David Bowie and Elton John He has been photographer of choice for a multitude of celebrities from Sinatra and Audrey Hepburn to Raquel Welch and Paul Newman and remains the only photographer to have captured shots not only of every James Bond to date but also more than 25 Bond girls and a staggering 150 Oscar nominated actors and actresses O Neill was awarded with the Royal Society of Arts highest honour the Centenary Medal in 2012 SELLING POINTS Rare and unseen images from Terry O Neill s unprecedented access to David Bowie s last performance as Ziggy Stardust including candid backstage shots New and original interviews from a host of people who witnessed the last

performance including Geoff MacCormack one of Bowie's long time friends and Spider Suzy Ronson Mick's wife and stylist Jayne County audience member and punk icon Britt Eckland noted actress and it girl Mike Garson Bowie's piano man and many more Foreword by Gary Kemp
