City in much the same way by killing at random and writing letters to the police. Serial killers often use a set pattern and or rituals as part of their modus operandi so in that regard the actions of the Zodiac Killer didn't exactly distinguish him from other serial killers. The main difference of course is that most serial killers are caught including the Son of Sam David Berkowitz while the Zodiac Killer's identity remains an unsolved mystery. By both remaining unidentified and leaving seemingly tantalizing clues in his writing the Zodiac Killer ensured his notorious legacy in American history much the same way the attempt to identify Jack the Ripper continues to fascinate people across the world today. If this case had been part of a well written police show or movie there would be music shooting and perhaps a romance between a cranky cop and a sexy detective. The Zodiac Killer: The Mystery of America's Most Infamous Serial Killer looks at the life of the serial killer and the crimes he committed. *The Zodiac Killer Cover-Up* Lyndon E. Lafferty, 2012-02-08. The true identity of the psychotic ZODIAC killer has been known by the Mandamus Seven group of retired law enforcement officers, federal agents, a minister, and a District Attorney since March 15, 1971. This true story is now being told for the very first time. Official corruption and political intervention forced the investigation into a top secret covert status giving the insane ZODIAC killer immunity and a license to kill. His motive, adultery. Mind and body ravaged by years of severe alcoholism, his blood-lusting revenge turned him into the most shocking and vicious killer in our 20th century. Through his tauntings of the police, his codes, ciphers, and letters, he was on a mission to redeem his shattered ego, to prove that he was better, smarter, and more clever than all the judges and police put together. With lordly arrogance and jealousy and with the assistance of the police, he continued his killing spree until he claimed a total of 37 victims. Lips sealed by secret oaths and federal obstructions of justice, the investigation was further impeded by personal associations with the suspect and his tenacious, intrepid wife placing family members in imminent danger. The evidence is overwhelming and given the totality of the facts, it is the author's opinion that there is no jury in the world that would not find the suspect guilty of being the criminal genius ZODIAC.
