## **Zombie Love:**

**Zombies and Sexuality** Shaka McGlotten, Steve Jones, 2014-09-17 Since the early 2000s zombies have increasingly swarmed the landscape of popular culture with ever more diverse representations of the undead being imagined. A growing number of zombie narratives have introduced sexual themes, endowing the living dead with their own sexual identity. The unpleasant idea of the sexual zombie is itself provocative, triggering questions about the nature of desire, sex, sexuality, and the politics of our sexual behaviors. However, the notion of zombie sex has been largely unaddressed in scholarship. This collection addresses that unexamined aspect of zombiedom with essays engaging a variety of media texts, including graphic novels, films, television, pornography, literature, and internet meme culture. The essayists are scholars from a variety of disciplines, including history, theology, film studies, and gender and queer studies. Covering *The Walking Dead*, *Warm Bodies*, and Bruce LaBruce's zombie porn movies, this work investigates the cultural, political, and philosophical issues raised by undead sex and zombie sexuality. *The Palgrave Handbook of the Zombie* Simon Bacon, 2025-12-26 This Handbook is a unique, encompassing overview of the figure of the Zombie. This project will show that while there are many zombies and many texts about zombies, it is still often mistakenly viewed as little more than a sub-genre of Horror. However, its history and multiplicity warrants something far more ambitious in terms of cataloguing and defining its many forms, types, and possible readings. Consequently, this Handbook proposes to feature elements of all the many and varied representations, narratives, and theories of the zombie across cultures, histories, and mediums to show that it is not just as multifaceted story world, but is much more akin to a genre in its own right, or what we might term the *Zombie Megatext*. [Zombie Love](#) Suzan Harden, 2011-06-30 It's not the family you're born to. It's the family you join. Dead For tabloid reporter Samantha Sam Ridgeway chasing down the mysterious Duncan St James who saved a pregnant actress from an apocalyptic cult should have been an easy story. Until her editor nixes the piece without a reason. Until her LAPD contact is murdered in front of her. Until she's kidnapped by a bunch of crazy scientists to be the guinea pig in their bizarre experiment. And Sam knows what happens to guinea pigs when the experiment's done. Undead. But when Sam wakes up, she's got super strength, super speed, and an appetite that won't quit. She escapes from the mad scientists with the help of St James, but he's got more secrets than she thought. Like glowing eyes and fangs. Could things get any worse than getting turned into the living dead and having the hots for a vampire? Yeah, they can. *The Gothic in Contemporary Literature and Popular Culture* Justin Edwards, Agnieszka Soltysik Monnet, 2013-02-15 This interdisciplinary collection brings together world leaders in Gothic Studies, offering dynamic new readings on popular Gothic cultural productions from the last decade. Topics covered include, but are not limited to, contemporary High Street Gothic fashion, Gothic performance, and art festivals; Gothic popular fiction from *Twilight* to *Shadow of the Wind*; Gothic popular music; Gothic on TV and film; new trends like Steampunk; well-known icons like Batman and Lady Gaga; and theorizations of popular Gothic monsters from zombies and vampires to werewolves and ghosts in an age of
