To Hell and Back Steven B. Heird, Steven B. Heird, MD, FACS, 2015-01-13 Here in this raw account of one doctor's journey to Hell and back is the prescription that could save the life of someone you love Addiction can affect anyone of any occupation education or social class The most common denominator among all addicts though is that they once thought it could never happen to them As Head of the Department of Vascular Surgery at a large community hospital Dr Steve Heird was well aware of all this Yet even as he wrote one illegal prescription after another all for himself he refused to believe he had a problem He was in control It could never happen to him But the day came when tired of playing a game of cat and mouse with the DEA and finally ready to accept help with his problem Steve had to face his family and go into rehab Everything that mattered to him his family his career his lifestyle was on the line and he risked losing it all to serve a ten year prison sentence That was one of the worst days of my life he now says I had hurt the people I loved most I felt overwhelmed with shame and self loathing How could I have screwed up so badly But there's a silver lining to the cloud that followed Dr Heird all those years His personal healing has led to the creation of a system of strategies for recognizing the warning signs whether in yourself or others and overcoming any addictions along with the fear and self doubt that feed them In this entertaining and inspiring true life account and through his Prescriptions For Awareness healing program Dr Heird proves beyond a doubt that NOBODY is entirely above the reach of addiction and no addict need ever feel doomed to remain forever within its grasp **SOCIEDAD CIVIL GLOBAL 2004/2005**, 2005-11-22 Urban Residence Christien Klaufus, 2012-04-01 Riobamba and Cuenca two intermediate cities in Ecuador have become part of global networks through transnational migration incoming remittances tourism and global economic connections Their landscape is changing in several significant ways a reflection of the social and urban transformations occurring in contemporary Ecuadorian society Exploring the discourses and actions of two contrasting population groups rarely studied in tandem within these cities popular settlement residents and professionals in the planning and construction sector this study analyzes how each is involved in house designs and neighborhood consolidation Ideas ambitions and power relations come into play at every stage of the production and use of urban space and as a result individual decisions about both house designs and the urban layout influence the development of the urban fabric Knowledge about intermediate cities is crucial in order to understand current trends in the predominantly urban societies of Latin America and this study is an example of needed interdisciplinary scholarship that contributes to the fields of urban studies urban anthropology sociology and architecture Caries dental y enfermedad gingivoperiodontal Escobar Rojas, Alfonso, 2025-12-02 El tomo 2 inicia con la epidemiologia de la caries dental y de la enfermedad periodontal continua con el diagn stico de caries dental y enfermedad periodontal mundial la valoracion de riesgo y las caracter sticas cl nicas e hist l gicas de ambas enfermedades La parte final del cap tulo describe en detalle los diferentes tipos de lesiones de caries dental con nfasis en diferenciar las lesiones activas e inactivas tanto las cavidades como
