## **Best Time Blocking Planner:**

*Momentum Planner* Sophia Carlson, AI, 2025-03-04 Momentum Planner presents a novel approach to time management focusing on building sustained motivation and consistent action rather than just scheduling events It introduces a calendar system designed to fuel ambition emphasizing strategic planning consistent action and feedback loops The book argues that typical calendars often fail because they don't foster the daily habits needed for progress Did you know that people are more likely to achieve their goals when they break them into smaller manageable tasks Or that regular reviews and adjustments can significantly improve alignment with long term objectives The book guides readers through creating a personalized momentum building calendar Chapters explore goal setting methodologies like SMART goals and OKRs habit formation techniques and progress tracking strategies By integrating these elements the book aims to create a cohesive planning system that aligns with individual needs and aspirations What sets this book apart is its focus on building momentum moving beyond simple scheduling to create a dynamic system that adapts to evolving needs and keeps users motivated The Momentum Planner draws upon research in behavioral psychology and management science to support its arguments It begins with core concepts and systematically builds toward a comprehensive planning system incorporating practical applications and actionable exercises to empower readers to take control of their time and achieve their goals Ultimately the book provides a practical framework to build momentum toward long term success

**Best Laid Plans** Sarah Hart-Unger, 2025-12-16 Stop running on auto pilot and make the most of every day with intentional planning Every moment matters when you have big goals for your family career and the community you're committed to Between kids schedules work meetings anniversary trips the occasional date night and squeezing in a quick gym session it's easy to get overwhelmed The constant barrage of obligations and to-dos is exhausting especially for women who are also managing the mental load in most areas of family life We end up stuck in routines and habits that don't serve us as our dreams seem to slip further and further away What if instead of greeting each day in a scramble to keep up there was a clearly laid out plan complete with breathing room for rest and fun In *Best Laid Plans* Dr Sarah Hart Unger offers an intuitive planning method for setting audacious goals working with the natural rhythms of your life in every season and bringing a sense of peace and joy back to every day With *Best Laid Plans* you'll learn How to create and accomplish nested goals for every year month week and day The magic of planning in seasonal quintiles or five seasons instead of four The airtight task management method for handling all of those pesky to-dos How to fill each day with meaningful moments of connection and delight Discover a simple way to make the most of every day and live your best life
