Slipping Away Candice Gilmer, She was running but could he catch her The Charming Fairy Tales Book 2 Now officially titled Duke von Gruenewald Penn finds himself master of a province on the brink of poverty and he has no idea how he could possibly resurrect the once strong land Turning to the one person who has never failed him Penn asks his mother to come help him restore order When his mother arrives with a new amber eyed maid in tow at first Penn wonders if his mother is trying to liven up his new life at Gruenewald tempting him with such a lovely lady But in truth he doesn t need such drama Life remains dramatic enough with blackmail secrets and treachery left behind by his cousin So why is Penn so distracted by the new maid Ana Dutetre is running away from her horrible step mother and her plan should get her out of her family s snarling reach Yet winding up at Gruenewald Castle shoves her in the worst possible predicament people appreciate her Even the flirtatious young duke is pleased with her Of course he is handsome there is no denying that But there s more between them Glances that last a moment longer than proper A secret smile shared only between them And he speaks to her like her opinion is of value Her heart grows fonder by the day but she knows better than to dally with nobility Yet she entertains those very thoughts every time the duke glances her way Perhaps it is time for Ana to slip away once again so she s not ensnared by something far worse than fear love But this time Penn is determined to catch her A Cinderella inspired adult retelling of a classic fairy tale story

Slipping Away Scott William Wood,2012-06-12 Brash and apathetic to a fault Detective Bobby Forsett retreats from a crumbling personal and professional world he fashioned around twenty six years of dedicated police service Seeking solace and personal redemption he finds himself pulled back by fading sentiments hes trying to deny and vengeful forces intent on reminding him why he never should have left Set amid the pristine forests and mountain grandeur that surround the gem of the Pacific Northwests urban coastal region Vancouver Canada the story offers glimpses into noble souls whose deeds are anything but and callous tormentors whose intentions are all that and more Bobby relentlessly pursues justice to the literal precipice rediscovering a commitment to past ideals and frayed emotional ties hed considered relics of a past best forgotten

Slipping Away Mark Moberg,2008 During the 1990s the Eastern Caribbean was caught in a bitter trade dispute between the US and EU over the European banana market When the World Trade Organization rejected preferential access for Caribbean growers in 1998 the effect on the region s rural communities was devastating This volume examines the banana wars from the vantage point of St Lucia s Mabouya Valley whose recent turbulent history reveals the impact of global forces The author investigates how the contemporary structure of the island s banana industry originated in colonial policies to create a politically stable peasantry followed by politicians efforts to mobilize rural voters These political strategies left farmers dependent on institutional and market protection leaving them vulnerable to any alteration in trade policy This history gave way to a new harsh reality in which neoliberal policies privilege price and quantity over human rights and the environment However against these challenges the author shows how the rural

poor have responded in creative ways including new social movements and Fair Trade farming in order to negotiate a stronger position for themselves in a shifting global economy
