**101 Sparks of Inspiration** Marlene Wesner, Miles Wesner, 2022-09-15 Many churches today have lay ministers or bivocational pastors These dedicated leaders often work at secular jobs yet must prepare two or three sermons a week This can be a real challenge Most of the brief compositions in this book can stand alone as quick devotionals or they can be used as sermon starters by providing suggested topics and outlines that include extensive scriptural research This saves leaders and teachers time but still allows them to add their own special insights develop their own applications and adapt the material to their own personal style All of these starters were originally used in a small rural church where we served as bivocational pastors for more than fifty years

**Snappy Sermon Starters** Paul Ellsworth Holdcraft, 1940 *Seeds* Joe Deal, 2026-02-09 PREFACE INTRODUCTION Pastors carry a sacred calling to stand before God's people and speak life truth and hope Week after week they pour out their hearts their strength and their faith But even the most faithful shepherds sometimes need a spark a seed a starting point This book was created with that purpose in mind SEEDS is not a collection of sermons It is a collection of beginnings thoughts reflections and scriptural anchors designed to help pastors hear from God for themselves Each chapter began as a simple idea a moment of insight a story from life or a truth God whispered to my heart Over time these ideas grew into something more seeds of inspiration My desire is not to tell pastors what to preach My desire is to give them something God can breathe on Each chapter includes A core thought An expanded reflection Four Scripture seeds These are not outlines They are invitations My prayer is that as you read God will stir something fresh in your spirit That He will take these small seeds and grow them into messages that strengthen encourage and transform the people you serve May this book be a companion on your journey a quiet voice of encouragement and a reminder that God still speaks and He still uses simple seeds to grow mighty things Joe Deal
