seven summers

Six summers to fall in love.
One summer to change it all.

I choose you.
And I'll choose you,
over and over
and over.

OLIVIA

FINN

"I'll wait."

How do you remember everything I say?

"Because you're interesting." He flashes me a playful look. "If you were a book, I'd highlight half your lines."

You don't go through something like that and come out the other side unscathed.

Don't ask me to stay, Finn.

Then don't ask me to leave.

TOM

being in Tom's arms again reminds me of the first time I pushed my hands into cold clay after the death of my parents.

It feels like coming home.

"I will never stop loving you. I've already told you that. I'll love you until the day I die and then some."

Summer For Seven

Will Geoghegan

Summer For Seven:

Statistical Account of the Seven Colonies of Australasia New South Wales. Bureau of Statistics and Economics, 1904

Summer Baseball Nation Will Geoghegan, 2020-04-01 The college baseball season doesn't end when the school year is finished. Many of the top NCAA Division I, II, and III baseball players continue to play in one of the game's most unique environments: the summer wood bat leagues. They swap aluminum bats for wood and play from June through August in more than forty states. The poetry of America's pastime persists as soon-to-be stars such as Gordon Beckham, Buster Posey, and Aaron Judge crash in spare bedrooms and play for free on city and college ball fields. *Summer Baseball Nation* chronicles a season in America's summer collegiate baseball leagues. From the Cape to Alaska and a lot of places in between, Will Geoghegan tells the stories of a summer eighteen of the best college players in the country playing Wiffle ball on Cape Cod, the Midnight Sun Game in Alaska, a California legend picking up another win, home runs flying into Lake Michigan, and the namesake of an old Minor League club packing the same charming ballpark. At every stop, players chase dreams while players and fans alike savor the moment.

The Dead of Summer Camilla Way, 2007 DEBUT FICTION Admit how your pulse quickens when you see those headlines: murder spree of schoolgirl loner boy, 13 rapes, classmate child, 10 stabs, pensioner. So says narrator Anita Naidu, and she should know. At thirteen, Anita was the sole witness to London's notorious cave murders of 1986, which left three children dead. Told seven years later to the police psychologist who interviewed her at the time of the killings, Anita's story reveals the savagery of the schoolyard, one chilling detail at a time until the truth of what actually happened reveals itself with startling ferocity. Set against the bustling, tourist-packed streets of historic Greenwich, this novel examines sinister events that happen quite literally right below the surface. An audacious debut, *The Dead of Summer* is written in spare, evocative prose with remarkable psychological acuity and the daring to examine the dark, intensely fragile point between childhood and adolescence and the morbid impulses of those mutable years.

Buffalo Summer Nadia Nichols, 2012-03-15 Caleb McCutcheon is living his dream as owner of a large ranch in the Montana wilderness. But when the woman he loves tells him she can't be part of that dream, Caleb is determined to learn the real reason for her reluctance. Because he knows that without her and her five boys, his life will never be complete. *The Agricultural Labourer ...* Great Britain. Royal Commission on Labour, 1893
