looks at particular media forms and shows how elements such as chronology character and focalization are realized in specific texts As the boundaries between entertainment and information in the mass media continue to dissolve understanding the ways in which modes of story telling are seamlessly transferred from one medium to another and the ideological implications of these strategies is an essential aspect of media studies **Sydney** Brian Bell,2004 Marrying lively essays and color photography the hallmark of the original award winning Insight Guides with a portable format and more practical information the new Insight City Guides are the next generation in travel guides Magazine style information includes money saving tips free attractions activities for kids and websites Expert evaluations of must see sites boast full bleed photos A street atlas tabbed travel tips section and take it with you restaurant guide and city map complete the most user friendly travel guides on the market **Freddy** Brad Fittler,Richard Sleeman,2010-06-01 there have been few better players in the game of Rugby League than Brad Freddy Fittler He s the boy from a broken home in Sydney s welfare wasteland who pulled himself up by his football bootlaces to captain his State and his country Fittler who retired after 16 seasons and almost 450 games at the very highest level never forgot where he came from He retained the same larrikin good nature that endeared him to his mates in his days at the Penrith club which he helped win its first premiership Later with the silvertails of the eastern suburbs he took part in another premiership win He captained NSW to State of Origin victory and made a celebrated comeback to the Blues Fittler s rise is much more than a sports story It examines the issues that divide Australia Like few others he s straddled that divide Drugs and beer and wild parties punctuated his youth there was the tragedy of the death of one of his closest mates the Super league saga his own drunken episode outside a Sydney police station being jailed in Mexico the narrow escape from a woman out to get him the male stalker all these stories and more are told with characteristic honesty It s a story that will make you laugh and make you cry It offers a rare insight into the workings of some of Australia s best sporting teams George Smith Rupert Guinness,2011 George Smith is one of the greatest players Australian rugby has ever produced and certainly one of the all time best open side flankers in the world arena After becoming the fourth Wallaby and the 10th in the history of the game worldwide to reach a century of Tests Smith went on to earn 110 Test caps for Australia Throughout his career he bedazzled crowds and more importantly the opposition with the tactical brilliance technique and physicality in his game A relentless and supremely skilful terrier he was spectacularly targeted by opponents as the player they had to close down but through all such storms Smith responded heroically His glorious career included numerous best and fairest player awards in both Test and Super rugby where he played his entire career with the Canberra based Brumbies He also played in two World Cups in 2003 and 2007 and starred in numerous Test wins in the Bledisloe Cup and Tri Nations series as well as in the Wallabies stunning series victory over the British and Irish Lions when they toured to Australia in 2001 He became the 75th Wallabies captain leading Australia for the first time in the 2007 World Cup against Canada in Bordeaux and on a number of occasions afterwards But for Smith an

errant youth who'd been seduced by a bad crowd on Sydney's northern beaches life could have turned out disastrously barely before it started He was raised in a Tongan family as one of nine siblings and after his expulsion from Balgowlah Boys High School it was this Tongan heritage in the end which proved to be his salvation The dramatic road he's followed since throughout a stellar amateur and professional rugby career has been littered with pot holes Some he fell into Others he avoided But as in rugby in life it's how one responds that really counts
