The Synoptic Gospels Compared George Alfred Blair,2003 In spite of over two centuries of investigation and discussion of the Synoptic Problem of whether Matthew Mark or Luke wrote the first versions of the Gospel

DIFFERENCES BETWEEN JOHN AND THE SYNOPTIC GOSPELS Dr. Jack Neubauer,2011-12-23 Anyone who has done a serious study of the Gospel of John and then sought to compare that Gospel with Matthew Mark and Luke found that they were immediately confronted with many differences Over the years I have studied all the Gospels and this has increased my interest in how others were handling these differences both in their teaching and in their sermons To my surprise most of the people consulted have never made an honest effort to have some answer for these differences Furthermore I have not been able to locate any books that speak to the one problem of these differences **Reading the Synoptic Gospels**

(Revised and Expanded) O. Wesley Allen,2013-09-30 This revised and expanded introductory text introduces students of the Bible to the layers of meaning that can be uncovered by serious study of the synoptic gospel texts Included are two new chapters introducing ideological exegetical approaches to the gospels and a concluding chapter that helps the student synthesize the exegetical discoveries they have made using the methods taught in the book [John, the Maverick Gospel](#)

Robert Kysar,1993-01-01 This book introduces the reader to the Gospel of John in a unique way Robert Kysar focuses on the religious thought of the Fourth Gospel providing a survey of the major theological themes He argues that the religious thought of the Fourth Gospel is different than other New Testament literature and presents it in the context of universal religious questions so that it may be viewed as a fundamental human expression of the religious quest This excellent book written in a lively style is distinguished from other introductions to the Fourth Gospel by the way in which it invites the reader to be involved in the reading of the Gospel itself **Sources of the Synoptic Gospels** Carl Safford Patton,1915

A Comparison of the Synoptic Gospels according to the King James Bible ,2017-04-04 Seminar paper from the year 2014 in the subject Literature Comparative Literature grade 2 3 University of Kassel Institut f r Sprachen language English abstract The word gospel derives its origin from the Greek word evangelion and can be translated as good news The four gospels are part of the New Testament and mainly tell about the Nativity the work of Christi his crucifixion and his resurrection Whereas the gospel of John stands out with its narrative the other three Mark Matthew and Luke mainly coincide in the structure and array of their gospels Therefore they are known as the Synoptic gospels Often they are replicated side by side which makes it easier to compare them to each other But all four gospels superficially concentrate on the life and doing of Jesus connected to his death and resurrection This paper is going to concentrate on the synoptic gospels of Mark Matthew and Luke to compare them with each other regarding not only structure and chronological order but also regarding their content and illustrate the differences and consonances Every analysis of a gospel starts with a main overview about the complete gospel including the structure the author the recipient and the time when the gospel was written The

content review concentrates on the most important parts of the Passion narrative
