authors don't just use religious words, texts, theologies or liturgies like a cookbook. Instead, they serve readers something closer to a real meal prepared with love and intention. Each essay shares one piece of its writer's heart, one chapter of experience as refracted through the author's particular Jewish optic. The authors write about being daughters, mothers, sisters, partners, lovers, and friends. They share their experiences of parenting, infertility, and abortion. One describes accompanying her young husband through his life-threatening illness. Another tells of her daughter's struggle with an eating disorder. Still another reflects on the long decline of a parent with Alzheimer's. All these writers wrestle with Jewish texts while growing as rabbis, as feminists, and as interfaith leaders. They open their hearts and minds, telling when Jewish tradition has helped make meaning and on occasion when it has come up empty. The results are sometimes inspiring, sometimes provocative. Readers will find new insights into God, into Judaism, and into themselves. *The Talking Horse, and Other Tales* F.

Anstey, 2017-10-03 The most popular humor book for individuals who want to overcome depression **Indian Folk Tales** Mary F. Nixon-Roulet, 1911 **The Talking Horse** Thomas Anstey Guthrie, 2015-03-11 The Talking Horse from Thomas Anstey Guthrie, Novelist and journalist who wrote his comic novels under the pseudonym F. Anstey, 1856-1934 *The Talking Horse and Other Tales* F. Anstey, 2020-01-08 Rather an odd collection of ten short stories, some are for adults and some for children, although these are also enjoyable. Anstey is noted for his humorous fantasy stories, but only some are comic and not all contain fantasy elements. None of the stories are bad, but none are really great either. I especially liked "Shut Out" which was a surprisingly disturbing tragedy, and "Taken by Surprise" after a shaky start, probably the funniest story in the collection.

The Talking Horse and Other Tales Thomas Anstey Guthrie, 2019-09-17 Get ready for a non-stop barrage of chuckles and belly laughs when you settle in with *The Talking Horse and Other Tales* from renowned humorist F. Anstey. In the title story, sophisticated man-about-town Gustavus Pulvertoft finds himself the proud owner of a steed that has somehow been gifted with the power of speech. [Philosophy and Literature in Times of Crisis](#) Michael Mack, 2014-02-27 Highlighting literature and philosophy's potential impact on economics, health care, bioethics, public policy, and theology, this book analyzes the heuristic value of fiction. It alerts us to how we risk succumbing to the deceptions of fiction in our everyday lives because fictional representations constantly feign to be of the real and claim a reality of their own. Philosophy and literature disclose how the substantive sphere of social, economic, and medical practice is sometimes driven and shaped by the affect-ridden and subjective. Analysing a wide range of literature from Augustine, Shakespeare, Spinoza, and Deleuze to Kafka, Sylvia Plath, Philip Roth, W.G. Sebald, and Jonathan Littell, Michael Mack rethinks ethical attitudes towards the long or eternal life. In so doing, he shows how philosophy and literature turn representation against itself to expose the hollowness of theologically grand concepts that govern our secular approach towards ethics, economics, and medicine. Philosophy and literature help us resist our current infatuation with numbers and the numerical and contribute towards a future politics that is at once singular and diverse. Tales Guthrie,1892 *Ethnic Identities in Bernard Malamud's Fiction* Martín Urdiales Shaw,2000 The present study has been divided into five general chapters each of which is centred around a basic issue related to ethnic identities This central issue may be more or less specific largely depending on its nature and on the corpus it comprises for example chapter two which bears the general title the old country and the New World is naturally the most extensive because of the great scope of this theme and the number of works it involves two novels and a considerable number of stories including the very long *Man in the Drawer* By contrast the last chapter entitled *Beyond Race into Myth Seeking the Liberation of the Self* is logically the shortest because its focus is restricted to a particular function of ethnic identities metaphorically speaking in Malamud s fantastic works the novel *God s Grace* and one short story Similar proportions between length complexity of theme and corpus treated are maintained in the three central chapters which focus on ethnic aspects which are neither as general as chapter two nor as specific as chapter six *The Talking Horse and the Sad Girl and the Village Under the Sea* Mark Haddon,2010-06-04 From the phenomenally bestselling author of *The Curious Incident of the Dog in the Night time* comes Mark Haddon s first collection of poems *The Talking Horse and the Sad Girl and the Village Under the Sea* reveals a poet of great versatility and formal talent All the gifts so admired in Haddon s prose are in strong evidence here the humanity the dark humour and the uncanny ventriloquism but Haddon is also a writer of considerable seriousness lyric power and surreal invention This book will consolidate his reputation as one of the most imaginative writers in contemporary literature
