The Tar-aiym Krang Alan Dean Foster, 2002-03-05 With two great golden clouds suspended around it Moth was the only planet that appeared to have wings It was a beautiful planet and a trap for the unwary Here was a wide open world for any venture a man might scheme The planet attracted unwary travelers hardened space sailors and merchant buccaneers a teeming constantly shifting horde that provided a comfortable income for certain quick witted fellows like Flinx and his pet mini dragon Pip With his odd talents the pickings were easy enough so that Flinx did not have to be dishonest most of the time In fact it hardly seemed dishonest at all to steal a starmap from a dead body that didn't really need it anymore But Flinx forgot one crucial point He should have wondered why the body was dead in the first place *The Tar-Aiyem Krang* Alan Dean Foster, 1987-04-01

Then there are the oblivion craving assassins determined to stop Flinx before he can prevent total annihilation With a future that rosy it s no surprise that Flinx is flirting with disaster Still he s no quitter Now he s going to need every ounce of his know how because he s venturing to places where no one s ever been to do what no one s ever done and where his deadliest enemy is so close it s invisible
