The Black Tarnished Image Willie Hagan,1974 Tarnished Image Mikel Brett Tackett,1999 It's Good Business Robert C. Solomon,1997 Tackling the most pressing challenges of business in the next millennium internationally recognized philosopher Robert C Solomon takes a hard look at the treacherous terrain of ethical decision making in a highly competitive environment Solomon argues that success does not have to come at the price of integrity Good ethics he concludes is good business Extensive case studies questionnaires and problem solving exercises make this an essential guide for business people

The Funeral Casino Alan Klima,2009-01-10 The Funeral Casino is a heretical ethnography of the global age Setting his book within Thailand's pro democracy movement and the street massacres that accompanied it Alan Klima offers a strikingly original interpretation of mass mediated violence through a study of funeral gambling and Buddhist meditation on death The fieldwork for the book began in 1992 when a freewheeling market of illegal massacre imagery videos blossomed in Bangkok on the very site where days earlier for the third time in two decades a military controlled government had killed scores of unarmed pro democracy protesters Such killings and their subsequent representation have lent force to Thailand's transition from military control to a media financial complex Probing the ways in which death is marketed visualized and remembered through practices both local and global Klima inverts conventional relationships between ethnography and theory through a compelling narrative that reveals a surprising new direction available to anthropology and critical theory Ethnography here engages with the philosophy of activism and the politics of memory media representation of violence and globalization In focusing on the particular array of tactics in Thai Buddhism and protest politics for connecting death and life past and present this book unveils a vivid and haunting picture of community responsibility and accountability in the new world order

My Poems Sandra T. Freeman,2010-11-01 This collection of poems is a mixed bag of lovely thought provoking hard knocks and real feelings of a dysfunctional poet so take an exhilarating and bumpy ride from the heartwrenching If You Feel Like Killing Yourself to a poem for Violinist David Garrett Classical Rock Star As the title states My Poems You'll Like Them Or Not Enjoy

My Life as a Professional Seat Cover Suzanne Marsh,2012-08-21 My Life as a Professional Seat Cover is a memoir written to help bridge the gap between truckers and the general motoring public It is not that truck drivers are misunderstood it is the misconceptions that the general motoring public has about the trucking industry Just because trucks are larger and have more brakes does not mean that they can stop quickly especially when trucks are loaded almost to the gross weight of 80 000 pounds The issues confronting truckers today from the changes in the Hours of Service to the point system instituted by the FMCSA to HR763 which if passed will affect the entire motoring public How will all these changes directly or indirectly affect consumers the economy and the general public Earl and Sue Marsh have three daughters eleven grand children and one great grandson When they are not on the road trucking they are at home in Temple Texas

Understanding Christian Mission Scott W. Sunquist,2013-09-15 This comprehensive

introduction helps students pastors and mission committees understand contemporary Christian mission historically biblically and theologically Scott Sunquist a respected scholar and teacher of world Christianity recovers missiological thinking from the early church for the twenty first century He traces the mission of the church throughout history in order to address the global church and offers a constructive theology and practice for missionary work today Sunquist views spirituality as the foundation for all mission involvement for mission practice springs from spiritual formation He highlights the Holy Spirit in the work of mission and emphasizes its trinitarian nature Sunquist explores mission from a primarily theological rather than sociological perspective showing that the whole of Christian theology depends on and feeds into mission Throughout the book he presents Christian mission as our participation in the suffering and glory of Jesus Christ for the redemption of the nations

Breach of Trust Gerald McKnight, 2005 Explains how the Warren Commission had a political agenda dictated by the FBI causing it to reach its lone assassin conclusion and how the Commission's own documentation and other papers point to a likely conspiracy theory

Native Activism in Cold War America Daniel M. Cobb, 2008 Broadens the scope and meaning of American Indian political activism by focusing on the movement's early and largely neglected struggles revealing how early activists exploited Cold War tensions in ways that brought national attention to their issues

Arsenal of World War II Paul A. C. Koistinen, 2004 Prolific munitions production keyed America's triumph in World War II but so did the complex economic controls needed to sustain that production Artillery tanks planes ships trucks and weaponry of every kind were constantly demanded by the military and readily supplied by American business While that relationship was remarkably successful in helping the U S win the war it also raised troubling issues about wartime economies that have never been fully resolved Paul Koistinen's fourth installment of a monumental five volume series on the political economy of American warfare focuses on the mobilization of national resources for a truly global war Koistinen comprehensively analyzes all relevant aspects of the World War II economy from 1940 through 1945 describing the nation's struggle to establish effective control over industrial supply and military demand and revealing the growing partnership between the corporate community and the armed services Koistinen traces the evolution of federal agencies mobilizing for war including the

National Defense Advisory Commission the Office of Production Management and the Supply Priorities and Allocation Board and then focuses on the work of the War Production Board from 1942 1945 As the war progressed the WPB and related agencies oversaw the military s supply and procurement systems stabilized the economy while financing the war closely monitored labor relations and controlled the shipping and rationing of fuel and food In chronicling American mobilization Koistinen reveals how representatives of industry and the armed services expanded upon their growing prewar ties to shape policies for harnessing the economy and how federal agencies were subsequently riven with dissension as New Deal reformers and anti New Deal corporate elements battled for control over mobilization itself As the armed services emerged as the principal customers of a command economy the military industrial nexus consolidated its power and ultimately succeeded in bending the reformers to its will The product of exhaustive archival research Arsenal of World War II shows that mobilization meant more than simply harnessing the economy for war it also involved struggles for power and position among a great many interest groups and ideologies Nearly two decades in the making it provides an ambitious and enormously insightful overview of the emergence of the military industrial economy one that still resonates today as America continues to wage wars around the globe
