**Tarot for Beginners** Lisa Woods,2020-07-27 The Tarot hides a mysterious and wonderful world rooted in the collective unconscious They are much more than just a deck of cards for improvised magicians or charlatans ready to tap money from the unfortunate on duty They are icons archetypes that speak a language ignored by most of us that of symbols We have become so accustomed to the language of words that we forget that there are other forms of communication Just think of art which uses images to transmit messages Is that why it is less effective Absolutely not for those who are familiar with the language of symbols Tarot for Beginners sets you up to learn this language with a thorough grounding in the key concepts surrounding the Tarot Only through the study of the symbology hidden in the cards we can learn its secrets just as happens to a newborn child who takes his first steps into the world of words Interpreting them favors the knowledge of oneself acting on the awakening of ancestral memories and hidden aspects of our personality Their symbolic language speaks directly to our unconscious without needing to be filtered by word Reading the Tarot and meditating on them therefore allows us to dialogue with the soul with our deep self through the language of symbols This book will open the door for newcomers to the Tarot in a trademark clear and straightforward manner providing an objective look at its origins and its divinatory potential With Tarot for Beginners You Will Learn How to Start Your Journey to Tarot Reading The Meaning of All Cards and How to Interpret Them Beginner Tips and Exercises for Interpreting the Cards The Most Effective Method to Read Tarot Cards How to Read Cards for Yourself and Others How to Select a Tarot Deck The Art of Storytelling How to Create Your Own Cards And So Much More No matter which Tarot deck you use the information in this guide is relevant providing a solid starting point for a skill you can carry with you for a lifetime The psychoanalyst Carl Gustav Jung who has always been interested in their symbology gave an enlightening interpretation of them to say the least by dissecting their deep symbolic meaning He defined them as psychological images symbols with which we play as the unconscious seems to play with its contents They are combined in certain ways and the different

combinations correspond to the joyful development of events in the history of humankind For Jung interpreting the Tarot helps us become familiar with the unconscious to open a way towards it to raise us to a new level of awareness Therefore the Tarot s figure speaks to our soul and creates a bridge between reason and intuition Tarot cards could help man through images to fix the understanding of the present in its most elusive remote impulsive and unconscious aspects both individual and collective Only at this point does it become possible to reflect on the future only by taking the current state of things in all its innermost complexity Uncover the facts myth history and mystery of the spiritual art of tarot reading Whether you want to learn to read the cards or deepen your tarot interpretation skills Tarot for Beginners honors the deep heritage of tarot while guiding you through practical techniques So What are You Waiting For Scroll Up to the Page and Select the BUY NOW Button
