The Sunset Lounge:

The Sunset Lounge Gene Cox, 1997-11-01 **Secret Palm Beach: A Guide to the Weird, Wonderful, and Obscure**
Amy Woods, 2026-02-15 The Coral Cut creeps out everyone who drives down North Lake Way A petite headstone memorializes a monkey in a courtyard off Worth Avenue A funky tree native to Africa towers above the Society of the Four Arts Demonstration Garden Time stands still at the 1880s era Little Red Schoolhouse Described by railroad tycoon Henry Morrison Flagler as a veritable paradise South Florida's best known barrier island evolved into a warm weather retreat for the rich and famous during the glorious Gilded Age Secret Palm Beach A Guide to the Weird Wonderful and Obscure reveals the mysteries quirks and surprises that give life to the tony town and the rest of the county all four corners of which have oddities of their own To the north is the state's first federally designated Wild and Scenic river and the lore of the legendary survivalist who inhabited its bank To the south is Old Betsy an antique fire engine that inspired a song To the east is Singer Island named after the sewing machine heir And to the west is Lake Okeechobee an unassuming breeding ground for some of the biggest marquee players in the NFL In Secret Palm Beach author Amy Woods who grew up in the area takes readers on a whirlwind tour of the fascinating and fun enigmas that accentuate the tropical destination [The Fork in the Road](#) Steven K. Tegovich, 2008-11-04 It was September of 1985 Nick Stavros was barely 24 years old and going nowhere fast Two years ago the day before he found out he had to drop out of college his life seemed full of promise Today he his best friend Max and their merry band of misfits sold cars by day and chased women by night Hung over every morning Broke at the end of every week Going nowhere fast with nothing but blind hope ahead It was perhaps Prometheus who saw their plight who sent the lightning bolt from the Heavens On September 5 1985 Nick Stavros and Max Davis held in their hands the only winning ticket for the Arizona Lottery's biggest jackpot ever the biggest jackpot in United States history the biggest jackpot ever awarded in the world And just like that everything changed forever The Fork In The Road is a laugh out loud adventure that starts with a bang and never lets up for a moment It's a Butch and Sundance buddy story a deeply romantic love story a side splitting comedy and a classic tragedy Nick's and Max's windfall touches the lives of many for both better and worse This novel brings to life in vivid detail unforgettable characters exotic locations and twisting plots that are guaranteed to keep the reader at the edge of their seats laughing crying and turning pages to its climactic conclusion and inescapable moral awakening It has a message that will resonate in every reader it touches Once read you too will declare The Fork In The Road is my favorite book ever Steven K Tegovich's next novel is called Nine Tenths Of A Cent a legal thriller detailing a trillion dollar class action lawsuit against the Oil Industry for decades of over billing the American people a tenth of a cent at a time A compelling premise ripped right from today's headlines Coming soon *TGIF AND OTHER SHORT STORIES* Richard V. Martin, 2012-10-15 *TGIF AND OTHER SHORT STORIES* is a series of 27 totally unrelated stories Most have been written to challenge the reader to figure out the ending before reaching the final page In most cases the reader will probably

be wrong Not complicated reading rather it is an easy style for enjoyment The book contains no profanity but it is suggested reading for adults because of some of the stories themes The brave author would appreciate any comments positive or negative
