THE CRITERION COLLECTION

The Big Heat

Lisa Morton

The Big Heat:

The Big Heat William P. McGivern, 2002 MURDER WAS IN THE AIR A COP HAD KILLED HIMSELF AND EVERY CROOKIN TOWN KNEW THAT WOULD BE SURE TO BRING ON THE BIG HEAT Why did they fear a dead man Dave Bannion homicide sergeant fought for the answer to that question The dead man was a police clerk who shot himself for no obvious reason That was Bannion s first judgment until a girl named Lucy presented a quite different picture of the dead man from the one he had shown to the world and to his fastidious glacial wife Bannion s chief Lieutenant Wilks wanted the case closed and speculation ended quickly and tightly So did Max Stone and Lagana who held the city in a sinister underworld grip But why Why did they all fear a dead man **The Big Heat** Colin McArthur, 2019-07-25 The Big Heat first appeared in 1953 towards the end of the film noir cycle that had begun in the early 40s It was greeted in the United States and Britain as a successful but modest product of the Hollywood system slickly written and directed in the words of one critic Only the extreme violence as in the infamous scalding coffee scene was singled out for special mention Yet by the time the film was reissued in Britain in 1988 it had achieved undisputed classic status How had this transformation come about Colin McArthur takes *The Big Heat* as a case study in film criticism He examines the film s changing critical fortunes under the influence of the so called auteur theory and shows how other intellectual currents led to a reassessment of Lang s work in the 1970s McArthur provides his own perceptive analysis of the film in the light of these revolutions in film criticism [The Big Heat](#) William P. McGivern, 1953 **Film Noir Reader 4** Alain Silver, James Ursini, 2004-11 This text identifies a handful of plot elements that consistently recur within film noir and analyses in depth the memorable pictures that while being vivid prototypes of certain cinematic themes bend and break their moulds to find new ways to enthrall and frighten us

[Gangsters and G-Men on Screen](#) Gene D. Phillips, 2014-09-26 While the gangster film may have enjoyed its heyday in the 1930s and 40s it has remained a movie staple for almost as long as cinema has existed From the early films of Humphrey Bogart James Cagney and Edward G. Robinson to modern versions like *Bugsy* *Public Enemies* and *Gangster Squad* such films capture the brutality of mobs and their leaders In *Gangsters and G-Men on Screen* Crime Cinema Then and Now Gene D. Phillips revisits some of the most popular and iconic representations of the genre While this volume offers new perspectives on some established classics usual suspects like *Little Caesar* *Bonnie and Clyde* and *The Godfather Part II* Phillips also calls attention to some of the unheralded but no less worthy films and filmmakers that represent the genre Expanding the viewer s notion of what constitutes a gangster film Phillips offers such unusual choices as *You Only Live Once* *Key Largo* *The Lady from Shanghai* and even the 1949 version of *The Great Gatsby* Also included in this examination are more recent ventures such as modern classics *The Grifters* and Martin Scorsese s *The Departed* In his analyses Phillips draws on a number of sources including personal interviews with directors and other artists and technicians associated with the films he discusses Of interest to film historians and scholars *Gangsters and G-Men on Screen* will also appeal to anyone who wants to better

understand the films that represent an important contribution to crime cinema **Director in Action** Stephen Teo,2007-06-01 **Director in Action** examines the career of Johnnie To whose art house action hits include *A Hero Never Dies* *The Longest Nite* *Running out of Time* *The Mission* *PTU* *Breaking News* *Election* and *Election 2* The author discusses the symbiotic relationship between director and genre why To is regarded as an auteur and the influence he has on the trajectory of the action genre in the Hong Kong cinema The author s view is that To s idiosyncratic auteurist style transforms the generic conventions under which he is compelled to work and that there is a discernible element of experimentalism in his most outstanding films In addition To modulates the film noir form to suit his local contexts characters and locations to create a highly personalized noir cinema in post 1997 Hong Kong [The Cinema of Tsui Hark](#) Lisa Morton,2009-04-06 Tsui Hark one of China s most famous film artists is little known outside of Asia even though he has directed produced written or acted in dozens of film some of which are considered to be classics of modern Asian cinema This work begins with a biography of the man and a look at his place in Hong Kong and world cinema his influences and his thematic obsessions Each major film of his career is then reviewed production details are provided and comments from Tsui Hark himself are given

The Films of Fritz Lang Tom Gunning,2019-07-25 In this volume Tom Gunning examines the films of Fritz Lang not only as a stylistically coherent body of work but as an attempt to portray the modern world through cinema The world of modernity in which systems replace individuals is conveyed by Lang s mastery of cinematic set design composition and editing Lang presents not only a decades long vision of cinematic narrative which can be compared to that of Alfred Hitchcock or Jean Renoir but a view of modernity that relates strongly to the ideas of Adorno Brecht Benjamin and Kracauer From the sweeping allegorical films of the 20s to the chilly and abstract thrillers of the 50s Lang s films Gunning claims are among the most precious records of the twentieth century **The Films of Fritz Lang** immeasurably enriches our understanding of a great artist and in so doing reimagines what a film arlist is an author who fades away even in being recognised and interpreted an enigmatic figure at the junction of aesthetics history biography and theory [The Italians](#) Frances Elliot,1875 **The Gas Record** ,1912 [The Rudder](#) Thomas Fleming Day,1929 **The Exhibitor** ,1953 Some issues include separately paged sections Better management Physical theatre extra profits Review Servisection **Electric Railway Service** ,1915 **The Standard** ,1912 **Manufacturing Jeweler** ,1930 **Iowa Engineer** ,1928 [The Horseshoers' Journal](#) ,1908 **Automotive Industries** ,1929 Vols for 1919 include an Annual statistical issue title varies
 Motorcycle Illustrated ,1919 *Materials Engineering* ,1930

Eventually, you will utterly discover a further experience and finishing by spending more cash. yet when? complete you tolerate that you require to get those all needs in the manner of having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will guide you to understand even more in relation to the globe, experience, some places, subsequent to history, amusement, and a lot more?

It is your entirely own epoch to bill reviewing habit. accompanied by guides you could enjoy now is **The Big Heat** below.
