The Black Marble Pool Stan Leventhal,1990 There s a dead body at the bottom of a pool in the backyard of a guest house in Key West Who is he And what caused his untimely demise Maybe it s suicide Or an accident But more likely murder And who s responsible It could be Skip the handsome marine biology student Or perhaps it s Edward the disco entrepreneur But then again maybe the owner of the guest house Pearl or her lover Janis had something to do with it And what about Officer Simon the quiet and mysterious cop Or Aurelio the sexy houseboy But of course it could be Frank the insurance salesman Or maybe it s Back cover

The Black Marble Pool Stan Leventhal,2023-03-14 When you first notice it something seems a bit unusual Then it occurs to you that most if not all of the pools you ve ever seen before were painted blue or white The Captain s House pool is black Not painted black But constructed of black marble and black tile The marble has streaks of white that look like lightning bolts in a black sky There is a sexiness to this pool a personality It looks and feels like a warm wet blanket surrounding and protecting you like a dark quiet womb There s a dead body at the bottom of a pool in the backyard of a guest house in Key West Who is he And what caused his untimely demise Maybe it s suicide Or an accident But more likely murder And who s responsible One of the guests the people who run the guest house or one of those mysterious women in town A Lambda Literary Awards Finalist in 1991 this new edition includes a foreword by renowned LGBTQ
