The Blasket Islandman Gerald Hayes,2018-05-04 Tom s Criomhthain 1856 1937 is one of the giants of Irish language literature His best known books Allagar na hInise and An tOile nach are acknowledged classics But he was a highly unlikely author He lived his entire life on the isolated and now abandoned Great Blasket in a house he built with his own hands using stones he found on the island Likewise he crafted a valuable literary heritage out of island life With indefatigable persistence he steadily built on his modest formal education learning to read and write in Irish during middle age while simultaneously expanding his knowledge of literature and history Scholarly visitors were impressed with Tom s s observations of his tiny community They encouraged him to commit his stories and memories to paper He wrote three first person accounts of his experiences bequeathing to us a captivating saga of a folk culture doomed by difficult circumstances His works are among the first examples of Ireland s transition from oral to written folk storytelling The Blasket Islandman tells for the first time the full story of Tom s s life with its many triumphs and travails This absorbing account also describes the forces that influenced his work and details his impressive legacy Tom s was determined that his community be remembered In the process he achieved a level of immortality for himself More than eighty years after his passing he remains the famed Blasket Islandman and to paraphrase the man himself the like of him will never be again **Report on the Flora of the Blasket**
