Drag Racing in the 1970s Doug Boyce,2025-01-15 Re live the 1970s with this book that covers a sensational and unique decade of drag racing history In the 1950s drag racing was in its infancy The sport made incredible technological advancements in the 1960s and that technology was streamlined and refined with a sense of professionalism in the 1970s It became more difficult for a local homebuilt shoestring budget team to compete at the national level These teams were priced out of the top classes by larger teams that had more sponsorship money So the low budget teams dropped to less expensive classes or simply sold their gear and stopped competing However drag racing in the 1970s was fascinating in its own right There was still a significant amount of development as well as new classes to celebrate Funny Cars morphed from altered wheelbase doorslammers in the early 1960s to full blown tube chassis flip top fiberglass bodied beasts by 1970 This led to the creation of the Pro Stock class which was a popular child of the 1970s with its rivalries and connections to the Detroit manufacturers In the interest of safety Top Fuel cars became mid engine beasts and they turned out to be faster as well By the end of the decade Funny Cars nearly became full bodied versions of the Top Fuel cars Many of these developments are still evident in NHRA racing today In *Drag Racing in the 1970s* veteran racing author Doug Boyce takes you chronologically through the entire exciting decade covering the cars the classes and the future hall of fame drivers who raced them The transition to professionalism the big money sponsors the many sanctioning bodies the rivalries and even the lower classes such as Modified Eliminator and Super Stock are chronicled in this illustrated tribute Add a copy to your drag racing library today

League mothers have told their children terrifying stories about the Black Hats the enemy A sect of murderous women eager to slay anyone who falls into their grasp always searching for their next victim Only the League s ruling body the Sisterhood of Light has been able to counter their evil When a Black Hat is taken prisoner aboard Captain Davage s ship the Sisters have every intention of executing her to put her to a slow painful death That is what s done to Black Hats And no one would dare challenge the Sister s authority They are astounded when the Captain refuses to allow it Using his Gift of Sight Captain Davage the Lord of the Great House of Blanchefort has gotten a glimpse of the Black Hat s face and is shocked Though no one but a Sister would ever willingly face a Black Hat and hope to survive he enters her cell The woman sitting there bears an exact resemblance to a beloved friend of the Captain s a friend who is dead murdered lost in space along with her ship and her crew There she sits Captain Davage s friend apparently reborn as a Black Hat murderess identical in every way except for the Black Hat s mark on her face The Black Hat known as Sygillis of Metatron vile and evil immediately plots Captain Davage s killing and though the Sisters are near none can protect him from her fury She will come for his soul Is it possible that two sworn enemies may fall in love Can remorseless evil be redeemed in the end Good and evil love and hate only one side can triumph in The League of Elder Sygillis of Metatron a galactic journey full of romance suspense and the unexpected *Merchant Vessels of the United States* ,1989 *Motion Picture Herald* ,1966 *PC Mag* ,1991-04-16 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **PC Mag** ,1993-10-26 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **American Motorcyclist** ,1991-06 American Motorcyclist magazine the official journal of the American Motorcyclist Associaton tells the stories of the people who make motorcycling the sport that it is It s available monthly to AMA members Become a part of the largest most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800 AMA JOIN *The History of Three-color Photography* Edward John Wall,1925 **California.
