The Cherry Blossom Corpse:

The Cherry Blossom Corpse Robert Barnard, 2013-03-21 From eight time Edgar Award nominee Robert Barnard comes a thrilling murder mystery set against the backdrop of a romance writer convention in Norway Scotland Yard's Perry Trethowan never wanted to make the trip to Norway for the World Association of Romantic Novelists convention But it was hard saying no to his newly published sister Christobel And besides the worst he expected was the chilly Scandinavian weather and a harmless if irritating menu of fanciful writers and flowery language Who could've known that backbiting malice and bitter rivalry were the true customs of this convention and that the plot line would soon include murder Amanda Fairchild the genre's amorous doyenne ends up dead while en route to a fjord side tryst of her own and the dauntless Trethowan must discover which of these authors has turned the page from romance to homicide

The Mistress of Alderley Robert Barnard, 2003-03-11 Robert Barnard one of the great contemporary masters of classic mystery returns with a brilliant new tale of passion and deception Well known actress Caroline Fawley has given up a successful stage and television career for love and life in the country International business titan Marius Fleetwood can't marry her He already has a wife though he claims they are just friends But Marius has done something very special for Caroline he has bought her Alderley an elegant country home If he should die he's arranged to leave her enough money to maintain the extensive house and gardens Of course some inquisitive villagers would be happier if Caroline and Marius were respectably wed People in small towns know all and they will talk especially about a glamorous actress Caroline's adolescent children Stella and Alexander seem to accept Marius's weekend visits without distress And older daughter Olivia an opera singer on the rise is too involved in her own career and romantic intrigues to express much interest in her mother's personal life Caroline is happy and the world is good Until one day when Caroline's life begins to fall apart First a mysterious young man backpacking his way through the countryside arrives at the door He says his name is Peter Bagshaw but Caroline sees instantly that he must be related to Marius perhaps he's even his son What else has Marius hidden from Caroline Who is this man Marius Fleetwood Is everything about him a lie When a murder occurs detectives Mike Oddie and Charlie Peace must probe the lives of numerous suspects who had good reason to kill As always in a Barnard mystery the fun is in the details the characters the twists With big houses wealth opera and obsessive devotion as some of his ingredients Robert Barnard gives us a witty richly nuanced novel worthy of the crime writing star that he is

[A Stranger in the Family](#) Robert Barnard, 2010-06-08 From Robert Barnard the internationally acclaimed Diamond Dagger winning crime writer Kit Philipson has always felt like something of a stranger in his family Growing up as the only child of professional parents in Glasgow Scotland he had every advantage His mother was a teacher his father a journalist escaped from Nazi Germany at the age of three on one of the 1939 Kindertransports But on her deathbed Kit's mother tells him he was adopted and that his birth name was Novello Soon vague memories of his early life begin to surface his nursery pictures

on the wall the smell of his birth mother when she'd been cooking And sometimes there are more disturbing memories of strangers taking him by the hand and leading him away from the only family he had ever known A search of old newspaper files reveals that a three year old boy named Peter Novello was abducted from his parents holiday hotel in Sicily in 1989 Now the young man who has known himself only as Kit sets out to rediscover his past the story of two three year old boys torn from their mothers in very different circumstances Kit's probing inquiries are sure to bring surprises They may also unearth dangerous secrets that dare never be revealed With sharp wit and deep insight Robert Barnard sweeps away all preconceptions in this powerful study of maternal love and the danger of obsession

Dying Flames Robert Barnard, 2006-05-16 From Robert Barnard the internationally acclaimed Diamond Dagger winning crime writer Some memories are better left buried in the past Well known author Graham Broadbent has managed to repress one particularly dangerous memory for many years but a trip home to a school reunion brings back the shocking reality of a desperate youthful passion It all begins with a knock on Graham's hotel door His visitor is nineteen year old Christa who read in the newspaper that he would be in town She introduces herself as his long lost daughter His daughter It's true that many years ago Graham had a fling with Christa's mother an exquisitely alluring school actress named Peggy Somers The dates don't work though Graham maintains he was out of the country when Christa was conceived He couldn't be her father He's almost sorry that he can't claim Christa a lively young woman who intrigues him in a strange way And what about Christa's mother the formidable Peggy who made such an impression when she portrayed Saint Joan in the school play all those years ago Why would she have lied to Christa about her paternity Why name Graham as the girl's father Separated from his wife at loose ends in his writing Graham takes the fateful step of searching out Peggy It's a big mistake Peggy's life which started with such promise has been a major disappointment Now it's about to become a disaster Peggy lies She fabricates She fantasizes She is the kind of person who will destroy Graham if he lets her As Graham finds himself drawn increasingly into the turmoil surrounding this woman and her children he must deal with deception and ultimately with murder The sins of the past return to haunt the living and the lives of those who survive will never be the same Writing with the piercing insight and wit for which he is renowned Robert Barnard creates a poignant masterpiece of mystery as thoughtful as it is entertaining

The Killings on Jubilee Terrace Robert Barnard, 2009-05-05 Vernon Watts may have been beloved by the millions of faithful viewers of the long running soap opera Jubilee Terrace but his fellow cast members knew him for what he was an egotistical former music hall performer whose untimely death in a pedestrian accident was not something to be universally regretted Sadly though director Reggie Friedman soon fills the supposed void by asking Hamish Fawley an equally unpleasant former member of the Jubilee Terrace troupe to rejoin the soap Hamish was never much liked Now he's more obnoxious than ever The mood on the set is not exactly serene a situation made worse when the police receive an anonymous letter suggesting that Vernon Watts's accident may in fact have been murder Did one of his fellow actors push Vernon into the oncoming

traffic Detective Inspector Charlie Peace faces tough challenges as he probes the make believe world of skilled thespians to find a possible killer With a cast of suspects who are trained to emote on cue Charlie will need all of his policeman s instincts if he s to avert further tragedy Writing with his usual acerbic wit and penetrating insight into human foibles acclaimed master of mystery Robert Barnard gives us another winning entry in his magnificent body of work [The Bones in the Attic](#) Robert Barnard,2002-04-24 Matt Harper a television and radio personality and a former professional soccer player has just bought Elderholm an old stone house in Leeds in the north of England It s ideal for him his partner Aileen and her three children Even the attic space seems just right the perfect place for a game room or a children s retreat But as Matt and his decorator tour the property they find something that will put the attic off limits for a long time to come a tiny child s skeleton that has clearly been there for years What happened to the child and how did its skeleton get into the attic Detective Sergeant Charlie Peace and his forensic team think the child s remains have been in the attic for thirty years Thirty years Matt remembers that time It was 1969 and he was seven years old He was in the neighborhood spending the summer with an aunt That was the summer that Elderholm s owner left her house empty when she went to visit a daughter in Australia What happened that summer What memories lie deep in Matt s consciousness Where are the other children from that summer who now of course are adults Who killed the little child and why was he or she never reported missing And who has now written to Matt assuring him that he had no part in what occurred that he had gone home to London before it happened As Matt struggles to recover his memory of that strange summer both he and Charlie Peace ponder what it means to love and lose a child and how one thoughtless decision can change a life forever Richly evocative and deeply poignant [The Bones in the Attic](#) is crime writing at its best from one of the great contemporary masters of mystery **Last Post** Robert Barnard,2008-05-13 Diamond Dagger Award winner and critically acclaimed contemporary crime writer Barnard delivers another triumph with this tale of murder and intrigue **A Charitable Body** Robert Barnard,2012-01-03 A new mystery set at one of England s stately homes and featuring beloved Yorkshire cop Charlie Peace By Diamond Dagger award winner Robert Barnard **A Cry from the Dark** Robert Barnard,2004-02-17 Master of mystery Robert Barnard internationally acclaimed for his suspenseful witty literary gems cleverly mixes past and present in A Cry from the Dark an intriguing tour de force sweeping from 1930s Australia to contemporary London Bettina Whitelaw has come a long way from her childhood in the little outback town of Bundaroo Australia Many years have passed a lifetime really but she s never forgotten what happened there on the evening that changed her life forever How could she forget the school dance her taunting classmates dancing with the strange but brilliant English boy Hughie Naismyth How could she forget what happened next when overheated and exhilarated by the music and the moment she wandered off alone into a secluded wooded area Now a renowned elderly author living in London s elegant Holland Park Bettina faces a flood of memories as she works on her memoirs even though her focus is more on the frightening things that are happening today Someone has recently entered her home and gone

through her desk The intruder is clearly not an ordinary burglar It must be someone she knows She s been a little lax in handing out keys so the suspects are many her nephew Mark her agent Clare her friends Peter or Katie Or it could be someone else What does Bettina possess that this person would want to steal A puzzle that at first seems mildly disturbing soon turns deadly serious Someone is willing to kill but why Does the answer rest in Bundaroo or nearer to home A Cry from the Dark shows us vintage Robert Barnard as he slyly lays the clues that lead to his trademark surprise and poignant ending
