The Chicago Crime:

The Chicago Crime Book Albert Halper, 1970 **Syndicate City** Alson Jesse Smith, 1954 *A Report on Chicago Crime* Chicago Crime Commission, 1966 *The Chicago Crime Commission Gang Book* Katecurran Kirby, 2006-10 Organized Crime in Chicago Robert M. Lombardo, 2012-12-30 This book provides a comprehensive sociological explanation for the emergence and continuation of organized crime in Chicago Tracing the roots of political corruption that afforded protection to gambling prostitution and other vice activity in Chicago and other large American cities Robert M Lombardo challenges the dominant belief that organized crime in America descended directly from the Sicilian Mafia According to this widespread alien conspiracy theory organized crime evolved in a linear fashion beginning with the Mafia in Sicily emerging in the form of the Black Hand in America s immigrant colonies and culminating in the development of the Cosa Nostra in America s urban centers Looking beyond this Mafia paradigm this volume argues that the development of organized crime in Chicago and other large American cities was rooted in the social structure of American society Specifically Lombardo ties organized crime to the emergence of machine politics in America s urban centers From nineteenth century vice syndicates to the modern day Outfit Chicago s criminal underworld could not have existed without the blessing of those who controlled municipal county and state government These practices were not imported from Sicily Lombardo contends but were bred in the socially disorganized slums of America where elected officials routinely franchised vice and crime in exchange for money and votes This book also traces the history of the African American community s participation in traditional organized crime in Chicago and offers new perspectives on the organizational structure of the Chicago Outfit the traditional organized crime group in Chicago Return to the Scene of the Crime Richard Lindberg, 1999 A region by region tour of Chicago that describes significant crimes that took place in each area and chronicles the changes such as laws real estate development and industrialization that have influenced crime in the city **This is a Report of Your Business** Chicago Crime Commission, 1930* **Barbarians in Our Midst** Virgil W. Peterson, 2018-12-01 In this important book Virgil W Peterson Operating Director of the Chicago Crime Commission and for twelve years a special agent for the FBI sums up the incredible history of crime in Chicago He shows how the growth of crime has kept pace with the phenomenal growth of the city itself and how politics and crime have meshed in an almost unbelievable web of corruption Mr Peterson who at one time worked for more than a year exclusively on the Dillinger investigation knows his criminals and does not hesitate to give names and facts He was instrumental in providing much of the data which enabled the Kefauver Committee to investigate not only Chicago but also those cities whose crime is controlled by Chicago gangsters But before lifting the lid on Chicago today he traces the colorful not to say lurid picture of the past Early in the city s history there was Mayor Long John Wentworth who in a fit of rage fired the entire police force And the infamous Bathhouse John Coughlin who with Hinky Dink Kenna ran Chicago s huge First Ward for more than fifty years and who was once imported to New York to impress the Tammany forces And

Minna and Ada Everleigh who ran the famous Everleigh House in the red light district And of course there was the whole Capone crowd Johnny Torrio who shot his boss Big Jim Colosimo to gain control of the rackets Dion O Bannion the florist who made corpses and then provided the funeral decorations and many many others Here too is the true story of the Kelly Nash machine one of the most efficiently corrupt political organizations Chicago has ever known And the story of how the Chicago crime network now reaches high into the Federal government Mr Peterson also gives the complete story of the Kefauver crime investigation in Chicago And finally the author presents his program for the elimination of corruption in Chicago and throughout the country
