[The Daybreakers/Sackett](#) Louis L'Amour,2008-02-26 One of the most popular fictional creations of our time the chronicle of the Sackett family is also one of Louis L'Amour's crowning achievements and these two magnificent novels are proof Sackett A drifter by circumstance William Tell Sackett hungered for a place he couldn't name but knew he had to find South of the Tetons through a keyhole pass he found it a lonely yet beautiful valley with a fortune in gold Then he found an even greater treasure Ange Kerry a courageous and resourceful woman But the harsh ways it takes to protect his claim and their lives may be the one thing that drives Ange away The Daybreakers Orrin Sackett had to be pushed into a fight But Tyrel Sackett was born to trouble The night Tye stepped between his brother and a bullet changed them both forever Now their trail pointed west to a lawless frontier town called Sante Fe Orrin took the job of marshal while Tye commanded respect without a badge When a loose end from their past turns up one brother will be forced to revert to his old ways if the other's dreams are to be realized

The Sackett Companion Louis L'Amour,2009-02-19 Little did Louis L'Amour realize back in 1960 when he published *The Daybreakers* a novel about two brothers who came west after the Civil War that he had begun creating what would become perhaps North America's most widely followed literary family the Sacketts The stories of ten generations of Sackett men and women as they forged westward from tyranny wracked seventeenth century England across the American continent have captivated readers for three decades through seventeen novels with nearly forty millions copies in print The traditions and

adventures of this family of rugged individualists who stand indomitably united when any Sackett is in trouble have inspired country songs a popular television miniseries starring Tom Selleck as Orrin Sackett and Sam Elliot as Tell Sackett thousands of reader queries and now a rare full length work of non fiction by the worlds all time best selling frontier novelist In a 60 Minutes profile in which he hailed Louis L Amour as our professor emeritus of how the West was won correspondent Morley Safer observed that his plots may be fiction but the details therein are fact The Sackett Companion is the author s long savored opportunity to present the research and probe the factors behind his Sackett fiction novel by novel and to elaborate on their real and fictional characters their geography and locales and their historical eras in encyclopedia like detail In this book subtitled A Personal Guide To The Sackett Novels L Amour takes us on a guided tour of his imagination to introduce us to the never before told sources and inspirations for these stories and the people and places that populate them He retraces some of his travels in which he has walked the land the Sacketts walk reliving such personal memories as the street fight he had on a hot dusty morning in New Mexico that ultimately led to the birth of the Sacketts

Jubal Sackett: The Sacketts Louis L'Amour,1988 In Jubal Sackett the second generation of Louis L Amour s great American family pursues a destiny in the wilderness of a sprawling new land Jubal Sackett s urge to explore drove him westward and when a Natchez priest asks him to undertake a nearly impossible quest Sackett ventures into the endless grassy plains the Indians call the Far Seeing Lands He seeks a Natchez exploration party and its leader Itchakomi It is she who will rule her people when their aging chief dies but first she must vanquish her rival the arrogant warrior Kapata Sackett s quest will bring him danger from an implacable enemy and show him a life and a woman worth dying for
