Dreamers and Thieves Shane R. Schuch,2013-01-23 What do you get when you mix a haggard old ghost who is severely ill with nostalgia with the end of the world You get Dreamers and Thieves by S R Schuch That is I I am he Thomas is dead He is an old old soul who just cannot bear to take himself to Heaven even though that is where all the people are But they re not the same there They are happy and healthy and eternal Thomas misses Humans as they were on Earth emotional struggling surviving He misses them being alive He saw himself through them seeing as he was once one of them Now they are all gone and dead and scattered about the scorched Earth like rotten sprinkles on a big rotting cake that floats through space Thomas has lost almost all hope in ever finding life again His hope is fragile and fleeting as are his ghostly emotions which go up and down up and down He roams and roams the broken Earth in hopes of finding life when he sees something he hasn t seen in ages He sees the Sun poking its blazing face through a pinhole in the blackened neon toxic pudding clouds He hasn t seen the glory of the Sun in years upon years not since bombs dropped from all corners of the globe He knows this is something He hopes and he prays He hopes and he prays The sight tickles his dying hope which is something that he desperately needs to keep roaming roaming roaming and he instantly knows how he is going to spend his day he is going to wait out the sight of the Sunrise or Sunset which ever comes first and as he waits he is going to tell you a little story about what could have been what should have been the story is about his best friend His best friend was Victor Connelly He is dead now Thomas is nostalgic sick with memories and ghostly emotions He and I are the same in that sense We are ill with emotions that go up and down up and down and we both had to do something about it This is that something
