The Desperate Hours Joseph Hayes, 1979 The Desperate Hours Joseph Arnold Hayes, 1985 Generations of Jewish Directors and the Struggle for America's Soul Sam B. Girgus, 2021-08-11 From generation to generation three outstanding American Jewish directors William Wyler Sidney Lumet and Steven Spielberg advance a tradition of Jewish writers artists and leaders who propagate the ethical basis of the American Idea and Creed They strive to renew the American spirit by insisting that America must live up to its values and ideals These directors accentuate the ethical responsibility for the other as a basis of the American soul and a source for strengthening American liberal democracy In the manner of the jeremiad their films challenge America to achieve a liberal democratic culture for all people by becoming more inclusive and by modernizing the American Idea Following an introduction that relates aspects of modern ethical thought to the search for America's soul the book divides into three sections The Wyler section focuses on the director's social vision of a changing America The Lumet section views his films as dramatizing Lumet's dynamic and aggressive social and ethical conscience The Spielberg section tracks his films as a movement toward American redemption and renewal that aspires to realize Lincoln's vision of America as the hope of the world The directors among many others perpetuate a New Covenant that advocates change and renewal in the American experience

Newsworthy Samantha Barbas,2017-01-18 In 1952 the Hill family was held hostage by escaped convicts in their suburban Pennsylvania home The family of seven was trapped for nineteen hours by three fugitives who treated them politely took their clothes and car and left them unharmed The Hills quickly became the subject of international media coverage Public interest eventually died out and the Hills went back to their ordinary obscure lives Until a few years later the Hills were once again unwillingly thrust into the spotlight by the media with a best selling novel loosely based on their ordeal a play a big budget Hollywood adaptation starring Humphrey Bogart and an article in Life magazine Newsworthy is the story of their story the media firestorm that ensued and their legal fight to end unwanted embarrassing distorted public exposure that ended in personal tragedy This story led to an important 1967 Supreme Court decision Time Inc v Hill that still influences our approach to privacy and freedom of the press Newsworthy draws on personal interviews unexplored legal records and archival material including the papers and correspondence of Richard Nixon who prior to his presidency was a Wall Street lawyer and argued the Hill family s case before the Supreme Court Leonard Garment Joseph Hayes Earl Warren Hugo Black William Douglas and Abe Fortas Samantha Barbas explores the legal cultural and political wars waged around this seminal privacy and First Amendment case This is a story of how American law and culture struggled to define and reconcile the right of privacy and the rights of the press at a critical point in history when the news media were at the peak of their authority and when cultural and political exigencies pushed free expression rights to the forefront of social debate Newsworthy weaves together a fascinating account of the rise of big media in America and the public s complex ongoing love hate affair with the press **Blood on the Stage, 1950-1975** Amnon Kabatchnik,2011-04-14 Discussing more than 120 full

not only traversed the silent and the sound eras but also connected classic Hollywood to the new Hollywood. The range of his films also spans a wide spectrum of genres from westerns to adaptations of classic literature from crime thrillers to rom-coms and from controversial topics to musicals. His three Oscars for Best Director are an achievement surpassed only by John Ford. His life experience as one of Hollywood's early immigrant artists also speaks to the foreign influence on classic Hollywood. Yet despite his awards and commercial success, artistic recognition has mostly eluded Wyler. This volume of the ReFocus series attempts to analyze this Wyler paradox and also seeks to contextualize and theorize selections from Wyler's canon and his relationship to American cinematic history and American culture. This collection has gathered contributions from international authors from extremely diverse backgrounds and therefore differing perspectives on Wyler and his work.

Scott Fitzgerald, and Willa Cather, many bestsellers, mysteries, children's books, young adult books, horror novels, science fiction, detective stories, and sensational potboilers from the past two centuries are examined. *The Desperate Hours*, 1954 The Yellow Book, 1896 **The Desperate Hours** Joseph Hayes, 1955.
