**The Devil's Innocents** Josephine Edgar, 1975      **The Innocent Brother and the Devil Within** Albert Schriber, Some lives are shaped by love Others are misshaped by silence pain and systems that look the other way The Innocent Brother and the Devil Within is a heartfelt and honest memoir that follows the life of Robert Schriber a boy born into hardship swallowed by addiction and ultimately lost to a justice system that never truly delivered justice Told by his older brother Albert with clarity sorrow and resolve this book is not simply the story of Robert s downfall It is a story of survival trauma and the quiet damage that begins in childhood and spreads across a lifetime From the early days in a struggling Louisiana household to the horrors of abuse under a violent stepfather Robert s world was shaped by chaos When his path turned toward drugs crime and prison there was little left to pull him back But this is not a story without purpose Through Robert s journey from solitary confinement in Angola to a final tragic end in a Kansas prison cell Albert offers something more than a memoir He offers a mirror to the world s failures and a voice for those left behind With sincerity and a refusal to look away The Innocent Brother and the Devil Within is a heartbreaking reminder that behind every headline is a human life that could have turned out differently

[The Innocence of the Devil](#) Nawal El Saadawi, 1998-11-04 Nawal El Saadawi s books are known for their powerful denunciation of patriarchy in its many forms social political and religious Set in an insane asylum The Innocence of the Devil is a complex and chilling novel that recasts the relationships of God and Satan of good and evil Intertwining the lives of two young women as they discover their sexual and emotional powers Saadawi weaves a dreamlike narrative that reveals how the patriarchal structures of Christianity and Islam are strikingly similar physical violation of women is not simply a social or political phenomenon it is a religious one as well While more measured in tone than Salman Rushdie s Satanic Verses Saadawi s novel is similar in its linguistic literary and philosophical richness Evoking a world of pain and survival that may be unfamiliar to many readers it speaks in a universal voice that reaches across cultures and is the author s most potent weapon
