The Diary Of Jesus:

The Diary of Jesus Christ Cain, SJ, Bill ,2021-03-17 The Diary of Jesus Christ is a bold attempt to understand the person whom in excess of two billion people claim as their savior These entries are not a gospel they are something far more personal not a third but a first person account of the life of Jesus Christ **The Diary of Jesus H. Christ** J. P. Sculley,1988-01-01 **The diary of Jesus Christ** Fabricio Sales Silva, Imagine for a moment that time is a winding river In it floats a bottle with a message inside But that s no ordinary message it is the account of a man who transcended time whose words echo in every corner of the earth whose actions transformed the tapestry of human history What if you could open that bottle and read Jesus Christ s journal The complexity of divinity and humanity intertwined in a single life the events that brought the Earth to a standstill and changed the course of eternities now flow like a river through these pages Here the gospels are not just recited they are lived Feel the dust of the roads of Judea on your feet feel the trembling of the hands that heal and nourish witness the decisions that weigh like mountains and the moments of stillness that speak louder than storms This is a chronicle of Jesus life as never seen before a moving and deeply human account that reverberates in the heart and soul If you re looking for more than stories and yearn for an experience that transcends words allow yourself to be absorbed by this journal Every line is an invitation every page an open door every chapter a journey that will both question and comfort your deepest convictions Now the bottle is open The message is in your hands **The Jesus Diary** John Maxwell,2014-05-24 The Jesus diary is the most comprehensive chronology of the events in the life of Jesus Christ the Son of God ever written Jesus the Son of God visited this earth at a point in history The Gospels in the Bible give four accounts of the one story of Jesus birth baptism in the Holy Spirit his ministry death and resurrection The Jesus diary records all of those events in the correct order then places each one on a specific date in history The result is the most detailed time frame of the events in Jesus life ever compiled Concealed Within Scripture MICHAEL J. MONGE.,2018-06-19 What would Jesus have written if he had a chance No one can say with any certainty but In Concealed Within Scripture Michael Monge attempts to record his version of the life of Jesus The Biblical accounts are faithfully followed but only in a metaphorical or parabolic fashion Central to his view is the idea that Jesus was an Essene and the potential heir to King David He is not divine and did not perform miracles in our current understanding of the term but he did survive a crucifixion which would have called out for a miraculous explanation **The Jesus Diary - Second Edition** John Maxwell,2017-03-23 The most comprehensive chronology of Jesus time of ministry ever written *The Jesus Diary* Dave Mishur,2021-05-02 Prepare To Be Moved A Fractured Ceramic Jug An Ancient Scroll An Anonymous Author And a Contemporary Translation Will bring you a fresh perspective on the man who called himself the Son of God and the world he lived in You will meet a warm and human Redeemer More like you than you could ever imagine Browse this newly discovered first century diary by an unknown author as he records his experiences with Jesus Feel the thrill of a blind man given sight of a cripple made whole of a leper cleansed

Bask in the love of Jesus and his disciples Cringe at the visceral hatred of the Pharisees Will the author achieve his dream of becoming a disciple Is his faith strong enough Is yours Dave Mishur is an award winning writer and consultant and former public relations executive for several major corporations He has been a newspaper reporter and editor and his column Second Thoughts was syndicated in local newspapers for 15 years He lives in Central Illinois with a polydactyl cat appropriately named Polly This is his first book *Linking the Americas* Lesley Feracho,2012-02-01 What links women of the Americas How do they redefine their identities Lesley Feracho answers these questions through a comparative look at texts by four women writers from across the Americas Zora Neale Hurston Julieta Campos Carolina Maria de Jesus and Clarice Lispector She explores how their writing reformulates identity as an intricate connection of the historical sociocultural and discursive and also reveals new understandings of feminine writing as a hybrid discourse in and of itself
