The Jeffersons:

The Jeffersons William Winter, 1881 *The Jeffersons at Shadwell* Susan Kern, 2010-10-15 Merging archaeology material culture and social history historian Susan Kern reveals the fascinating story of Shadwell the birthplace of Thomas Jefferson and home to his parents Jane and Peter Jefferson their eight children and over sixty slaves Located in present day Albemarle County Virginia Shadwell was at the time considered the frontier However Kern demonstrates that Shadwell was no crude log cabin it was in fact a well appointed gentry house full of fashionable goods located at the center of a substantial plantation Kern's scholarship offers new views of the family's role in settling Virginia as well as new perspectives on Thomas Jefferson himself By examining a variety of sources including account books diaries and letters Kern re-creates in rich detail the daily lives of the Jeffersons at Shadwell from Jane Jefferson's cultivation of a learned and cultured household to Peter Jefferson's extensive business network and oversight of a thriving plantation Shadwell was Thomas Jefferson's patrimony but Kern asserts that his real legacy there came from his parents who cultivated the strong social connections that would later open doors for their children At Shadwell Jefferson learned the importance of fostering relationships with slaves laborers and powerful office holders as well as the hierarchical structure of large plantations which he later applied at Monticello The story of Shadwell affects how we interpret much of what we know about Thomas Jefferson today and Kern's fascinating book is sure to become the standard work on Jefferson's early years **The Women Jefferson Loved** Virginia
