Torrance's Theology of the Ascension** Stavan Narendra John, 2025-05-29 The ascension is a crucial doctrine integrally related to the incarnation When it is underemphasized it results in an impoverishment of our theology of Christ the church human beings and eschatology T F

Torrance's theology offers a compelling vision and holistic doctrine of the ascension that notwithstanding its flaws deserves a careful and detailed examination. Torrance develops a holistic account of the ascension by considering the ontology, spatiality, and present ministry of the ascended Jesus. What results is a theological construction that affirms the ascended body of Christ and understands the Lord to be currently serving as our human representative in a ministry of priestly intercession, prophetic declaration, and ascended kingship. Torrance is able to do this without succumbing to literalism, space travel, demythologization, metaphorical reading, or Pelagianism. Human effort-based sanctification and glorification. This book interprets and then develops Torrance's theology of the ascension in critical dialogue with contemporary theological interlocutors.

**How Not to Kill a Muslim** Joshua Graves, 2015-04-13. The adherents of Islam and Christianity comprise half of the world's population or 3.5 billion people. Tension between them exists throughout the world and is increasing here in North America. In *How Not to Kill a Muslim*, Dr. Joshua Graves provides a practical, subversive theological framework for a strategic posture of peaceful engagement between Christians and Muslims. Based upon both academic and personal experience, Josh grew up in Metro Detroit; this book will provide progressive Christians with a clear understanding of Jesus' radical message of inclusivity and love. There is no one who is not a neighbor. There is no them. There is only us. Our future depends upon this becoming true in our cities, synagogues, churches, and mosques. In pluralistic societies such as those of Canada and the United States, the true test of Christianity is what it offers those who are not Christian. And it starts with Islam.
