The Keeshond:

Keeshond J. Piet Hussen, 2012-03-20 Once saluted on passing vessels as the Dutch Barge Dog the Keeshond sets sail today as one of the world's most recognizable spitz breeds. With its classic gray coloration, harsh off-standing coat, lionlike ruff, characteristic trousers, and expressive spectacle markings around its eyes, the Keeshond is unmistakably pure and distinctive in every way. Historically used as a watchdog, the Keeshond pronounced kayz hawnd is alert and keenly intuitive traits that make him a competent protector of home and property. This Comprehensive Owner's Guide provides an insightful look at the history of the breed, tracing the evolution of Nordic spitz dogs in Asia and Europe, the emergence of the Dutch breed as distinctive from its German Wolfspitz relative, and the spread of the breed to England and America. The chapter on the breed's characteristics provides a useful portrait of this intelligent and active breed, which for the experienced owner can make a dependable and affectionate companion. New owners will welcome the well-prepared chapter on finding a reputable breeder and selecting a healthy sound puppy. Chapters on puppy proofing the home and yard, purchasing the right supplies for the puppy, as well as house training, feeding, and grooming, are illustrated with photographs of handsome adults and puppies. In all, there are over 135 full-color photographs in this useful and reliable volume. The author's advice on obedience training will help the reader better mold and train into the most well-mannered dog in the neighborhood. The extensive and lavishly illustrated chapter on healthcare provides up-to-date, detailed information on selecting a qualified veterinarian, vaccinations, preventing and dealing with parasites, infectious diseases, and more. Sidebars throughout the text offer helpful hints covering topics as diverse as historical dogs, breeders or kennels, toxic plants, first aid, crate training, carsickness, fussy eaters, and parasite control. Fully indexed.

[A New Owner's Guide to Keeshonds \(Dog Breeds and Dog Care\)](#) The Hyperink Team, 2012-04-04 ABOUT THE BOOK Keeshonds pronounced kayz hawndz are medium-sized dogs with sturdy figures, dramatic two-layer coats, and richly plumed tails. Their friendly temperament combined with their outgoing and affectionate nature makes them an excellent choice of pet. The history of the Keeshond makes for interesting reading. According to the American Kennel Club, the breed descended from the Arctic strains found in the Samoyed, the Norwegian Elkhound, and the Chow Chow and changed little over the last two centuries. Originally known as the German Spitz, Keeshonds were particularly popular in Holland during the late 18th century, serving as watchdogs on riverboats and farms. Later, Keeshonds were thrust into the public eye by the leader of the Dutch Patriot

political party Kees de Gyselaer He gave Keeshonds their new name thanks to his ownership of a dog named Kees MEET THE AUTHOR The Hyperink Team works hard to bring you high quality engaging fun content If ever you have any questions about our products or suggestions for how we can make them better please don t hesitate to contact us Happy reading EXCERPT FROM THE BOOK Its critical that owners properly socialize any puppy The socialization process promotes emotional health in your dog and ensures the physical safety of the people and other animals he comes into contact with over the course of his life You should endeavor to introduce your dog to a wide variety of people dogs other animals sounds and environments at an early age A socialized Keeshond is a happier more confident dog and less prone to hypersensitivity to loud and or unfamiliar sounds Keeshonds in particular are naturally cautious and sensitive to loud and or unfamiliar sounds so its imperative that you devote plenty of time to the socialization process from an early age The process of socializing your Keeshond should begin by introducing him to many different people One trick is to ask strangers to pet him and offer a small treat that you give them The people you introduce your puppy to should also include well behaved children although such interactions should always be properly supervised CHAPTER OUTLINE A New Owner s Guide to Keeshonds Introduction Caring for the Newest Member of Your Family What to Buy Conditions that Affect Keeshonds and much more **Keeshond** Martin Weil,1994-07 The Keeshond Dog Care Professionals,2017-01-30 The Keeshond A Complete and Comprehensive Owners Guide to Buying Owning Health Grooming Training Obedience Understanding and Caring for Your Keeshond by Dog Care Professionals Is an essential purchase for any Keeshond owner This book contains vital information on the following subjects the origin of the Keeshond an explanation of the different types and colorations available purchasing a puppy pros and cons of the breed rescuing a dog finding a reputable breeder a break down of the breeds personality socialization spaying neutering house breaking potty training bringing your new puppy home how to care for a Keeshond during puppyhood how to care for an adult Keeshond grooming combing healthy vaccinations training obedience a comprehensive list and break down of vital equipment feeding and nutrition exercise illnesses and much much more Thank you for purchasing our pet care manual on caring for Keeshond We hope you have found the information both interesting and informative We hope that this book has allowed you to make an informed choice on whether owning a Keeshond suits you and if so we hope that the information will help you to provide the best quality care for your Keeshond We will be publishing multiple other dog care manuals on our author page on Kindle If you have an interest in learning more about specific dog breeds then we highly suggest you check out our other work Here at Dog Care Professionals we are passionate about providing the best quality information to our customers We would highly appreciate any feedback or reviews you could leave us on our Kindle page to allow us to help create the best possible pet care products available on the market ABOUT THE AUTHOR Here at Dog Care Professionals we are passionate about dog care As a brand we have a strong idea of what makes up a good pet care book We consult with multiple experts in each multiple different fields to allow us to create a book filled with cumulative opinions and
