The Satan Bug:

The Satan Bug Alistair MacLean, 2009-02-02 Gripping and tense story of secret agents even more secret government facilities and a deadly virus from the acclaimed master of action and suspense [Dana Andrews](#) James McKay, 2014-01-10 Dana Andrews arguably the finest minimalist actor of his generation as one critic commented could convey more with one look than many actors could with a soliloquy In a film career spanning nearly five decades Andrews appeared in some of Hollywood's most prestigious productions including *The Ox Bow Incident* 1943 and *The Best Years of Our Lives* 1946 His unique screen presence was shown at its best in such film noir classics as *Laura* 1944 and *Where the Sidewalk Ends* 1950 Beginning with an absorbing biographical chapter this critical survey of Dana Andrews screen career features a complete filmography with synopses reviews behind the scenes anecdotes and insightful comments from Andrews and his coworkers A chronological list of television radio and theater credits is included [THE SATAN BUG](#) IAN STUART, *Alien Identities* Deborah Cartmell, I. Q. Hunter, Heidi Kaye, Imelda Staunton, 1999-03-20 This is a lively and stimulating look at representations mutations and adaptations of the alien in literature film and television Using notions of the alien and alienation in a broadly defined sense the contributors cover early science fiction from the gothic aliens of *Dracula* and H G Wells to the classic fifties Cold War sci fi movies such as *War of the Worlds* twentieth century reworkings of various alien metaphors such as *The Fly* movies and the *Alien* series and comic variations on the theme such as *Mars Attacks* Moving beyond the conventional genre boundaries of the alien particular essays look too at race as an alien condition and at the use of illness and disease as a metaphor for alienation in modern film and fiction **The Satan Bug** Ian Stuart, 1964 [Satan Bug](#) Alistair MacLean, 1978-07-12 **James Bond and the Sixties Spy Craze** Thom Shubilla, 2024-04-02 James Bond the the 60s Spy Craze will explore James Bond films and the number of movies and television shows of the 1960s inspired by Ian Fleming's character The book also delves into the production casting merchandise and music that helped to make James Bond a household name and a cultural touchstone The 1960s spy craze lasted seven years ostensibly from 1962 1969 peaking in 1966 1967 However in that time many secret agent films flooded theaters and drive ins and television shows filled station line ups in the United States throughout the 1960s All of which were directly inspired by the first James Bond adventure to hit the big screen *Dr No* 1962 This is the story from a historical perspective of those films and how they became a part of American pop culture The book explores the various other top agents of the time Matt Helm Dereck Flint and Harry Palmer and the many spy spoof imitators coming from the United States England Europe and Mexico and discusses the impact James Bond had on each of these films and the ways in which James Bond influenced media Also discussed are budgets casting production box office numbers ratings development merchandising and how these elements have contributed to the success and longevity of the popularity of James Bond films *King of the Action Thriller* Brian Hannan, 2026-02-11 The Scottish novelist Alistair MacLean didn't speak English until he was six but he went on to become one of the world's best selling

authors over 150 million copies sold and Hollywood's highest paid screenwriter His films are the very portrait of action Where Eagles Dare The Guns of Navarone Puppet on a Chain and Fear Is the Key set the template for Die Hard the Bourne films and John Wick The cable car fight speedboat pursuit and car chase set a new high for action sequences Movies were sold on his name alone He achieved Hollywood's highest honor his name above the title because he appealed to a vast global audience This is the first book to explore Alistair MacLean's unique magic detailing how 18 of his bestsellers were transformed into movies and mini series His movies starred Clint Eastwood Charles Bronson Gregory Peck Donald Sutherland multiple Oscar nominees Richard Burton and Richard Harris and two time Oscar winner Anthony Hopkins

Moviemakers had such faith in MacLean's name as a marketing tool that they also handed leading roles to unknowns like George Maharis or Sven Bertil Taube This much needed work of cinema history fills a gap in the scholarship telling the full story of the man who dominated the action movie for two decades *Network World*, 1993-10-11 For more than 20 years Network World has been the premier provider of information intelligence and insight for network and IT executives responsible for the digital nervous systems of large organizations Readers are responsible for designing implementing and managing the voice data and video systems their companies use to support everything from business critical applications to employee collaboration and electronic commerce
