## The Summer Camp:

**Serious Fun at a Jewish Community Summer Camp** Celia E. Rothenberg, 2016-07-01 Unique in the literature on Jewish camping this book provides an in depth study of a community based residential summer camp that serves Jewish children from primarily rural areas Focused on Camp Ben Frankel CBF established in 1950 in southern Illinois this book focuses on how a pluralist Jewish camp constructs meaningful experiences of Jewish family and Judaism for campers and teaches them about Israel Inspired by models of the earliest camps established for Jewish children in urban areas CBF's founders worked to create a camp that would appeal to the rural often isolated Jewish families in its catchment area Although seemingly on the periphery of American Jewish life CBF staff and campers are revealed to be deeply entwined with national developments in Jewish culture and practice and indeed contributors to shaping them This research highlights the importance of campers experiences of traditional elements of the Jewish family an experience increasingly limited to time at camp as well as the overarching importance of song Over the years Judaism becomes constructed as fun welcoming and easy for campers while Israel is presented in ways that are meant to be appropriate for a community camp In the camp's earliest decades Israel was framed by traditional Zionist discourse later as community priorities shifted the cause of Russian Jews was the focus Most recently as Israeli politics have been increasingly viewed as potentially divisive the camp has adopted an Israel lite approach focusing on Israel as the Biblical homeland of the Jewish people and a place home to Jews who are similar to American Jews In sum this study sheds light on how a small rural community camp contributes in significant ways to our understanding of American Jews their Judaism and their Zionism *Education and the Summer Camp* Lloyd Burgess Sharp, 1930 [The Summer Camp from the Black Lagoon](#) Mike Thaler, 2014-06-24 These fun filled chapter books mix school monsters and common kid problems with hilarious results You'll scream with laughter Hubie is being sent far away to summer camp and he can't even bring his TV or computer But there's plenty for him to do there like avoiding the snakes in the lake Will Hubie survive his vacation **The Summer Camp Survival Guide** Chris Pallatto, Ron DeFazio, Ethan Long, 2010 Describes the fundamentals of summer camp including typical activities lodging preparations and crafts and provides tips on making the most out of summer camp **Education and the Summer Camp** Lloyd Burgess Sharp, 1930 *Children's Nature* Leslie Paris, 2008 The summer camps have provided many American children's first experience of community beyond their immediate family and neighbourhoods This title chronicles the history of the American summer camp from its invention in the late nineteenth century through its rise in the first four decades of the twentieth century [A Handbook of Summer Camps](#), 1926 *The Summer Camp Handbook* Chris Thurber, 2000 A practical guide that tells families everything they need to know before sending their child to overnight camp including deciding which camp is best how to prevent homesickness and physical and medical preparation **Summer Camps around Asheville and Hendersonville** Melanie English, 2016-05-30 Historically western North Carolina has been a haven for summer camps sustaining one of the
