The Sunset Bomber:

The Sunset Bomber D. Kincaid, 1987 [Sunset Bomber](#) D. Lawrence Kincaid, 1989-01-01 **Sunset Bomber 27**, 1988-01-05 **Justice Denoted** Terry White, 2003-09-30 White provides the most comprehensive scholarly compilation of fictional work of legal suspense in existence. Primarily a bibliography of novels, it also annotates plays, scripts for film and television, novelizations, and short story collections about lawyers and the law. The idea behind the principal of selection is to disdain labels that reduce the variety of the legal thriller to a subgenre of mystery fiction. Novels that range from suspense thrillers through science fiction to the philosophical novel are included if justice is thematically important. It is therefore an eclectic reference source beyond a compilation of books about lawyers as protagonists. Its biographical and scholarly information about authors, major and minor, and their novels or works is traditionally encyclopedic and objective, regardless of whether the work has been genre defined or worse deified as a classic or denigrated as a bestseller. Many novels included are long out of print but historically interesting for their contribution to the lineage of the courtroom drama, showing that the history of the legal thriller is one of the major branches of modern literature since the Age of Reason. The criterion of justice denoted moves beyond the fact of lawyers and courtrooms to select seminal novels like Robert Travers' *Anatomy of a Murder* as well as the romantic potboiler. Among the more than 2,000 works are the Perry Mason novels of Erle Stanley Gardner, John Mortimer's Rumpole series, along with a staple of fiction by major authors of the genre like John LeCarré, Lisa Scottoline, Margaret Maron, Scott Turow, and John Grisham. There are also individual works by Shakespeare, Goethe, Kafka, Camus, and Twain delineating humanity's obsession with the law as its shining prop of civilization and alternative *boite noire* of the common individual caught up in its maw. The appendices include comments by lawyer-novelist Michael A. Kahn, a historical introduction to the legal thriller, craft notes by writers and prominent trial lawyers, responses to author and lawyer questionnaires, a bibliography of critical sources and articles, series characters, and the legal terminology found in courtroom dramas and novels. An essential reference tool for scholars, researchers, as well as the occasional reader of legal thrillers.

Sunset Bomber D. Kincaid, 2017-12-23 As Los Angeles's most successful criminal lawyer, the Sunset Bomber has the stunning women, designer cars, Hollywood fame, and star-studded cases in this exciting courtroom thriller. Known as the Sunset Bomber for his constant wins over the opposition in court, Harry Cain has the exciting designer life that comes with being the most successful criminal lawyer in Los Angeles. On the way to a funeral, Harry makes friends with a beautiful blonde woman who piques his interest, so he tracks her down. A few days later, Harry is quickly pulled out of their passionate affair when duty calls him into cases including a multimillion-dollar divorce trial and a murder at a glamorous Malibu estate.

Only Love Can Break Your Heart David Samuels, 2012-03-12 Writing for Harper's Magazine and The New Yorker over the last decade, David Samuels has penned a disillusioned love song to the often amusing and sometimes fatal American habit of self-delusion, reporting from a landscape peopled by salesmen, dreamers, radical environmentalists, suburban hip-hop stars,

demolition experts aging baseball legends billionaire crackpots and dog track bettors whose heartbreaking failures and occasional successes are illuminated by flashes of anger and humor Including profiles of disillusioned Pacific Northwest radicals and Nevada nuclear test site workers alongside coverage of Pentagon press conferences and the Super Bowl in Detroit Only Love Can Break Your Heart proves Samuels to be a wonderful inheritor of the great journalistic tradition established by Gay Talese Tom Wolfe and Joan Didion in the 1960s This first collection of his painstakingly reported and wildly inventive writing reveals the full spectrum of his talents as well as an unusual sensitivity to both the tragic and comic dissonances bubbling up from the gap between the American promise of endless nirvana and the lives of ordinary citizens who struggle to live out their dreams

The Runner David Samuels,2012-03-05 The Runner tells the remarkable true story of a teenage drifter and petty thief named James Hogue who woke up one cold winter morning in a storage shed in Utah and decided to start his life anew Re imagining himself as a self educated ranch hand named Alexi Indris Santana who read Plato under the stars and could run a mile in under four minutes Hogue applied and was accepted to Princeton University where he excelled academically made the track team and became a member of the elite Ivy Club Echoing both *The Great Gatsby* and *The Talented Mr Ripley* the story of Hogue s life before and after he went to Princeton is both an immensely affecting portrait of a dreamer and a striking indictment of the Ivy League meritocracy to which Hogue wanted so badly to belong Drawing elegant parallels between Hogue s ambitions and the American myth of self invention while also examining his own uneasy identification with his troubled subject David Samuels has fashioned a powerful metaphor for the corruptions of the American dream revealing exceptional gifts as a reporter and literary stylist

Kincaid,1988 A hero whose razor sharp legal skills take him on a wild series of adventures both in and out of the courtroom Harry Cain is Hollywood s hottest lawyer to the rich and famous Cain s got the clients and the fees to get what he wants But has he met his match in a seductive stranger more sizzling than his wildest case **Jim Kobak's Kirkus Reviews** ,1986
