

The Temple Legend

Hubert Joseph Treston

The Temple Legend:

The Temple Legend Rudolf Steiner, 2014-12-05 In these unique lectures given to members of his Esoteric School 1904 14 Rudolf Steiner's main intention is to throw light on the hidden content of the picture language of myths sagas and legends Pictures he explains are the real origin of all things the primeval spiritual causes In the ancient past people assimilated these pictures through myths and legends In order to work in a healthy way with pictures or symbols today however it is necessary that one should first become acquainted with their esoteric content to understand them At the time of these lectures Steiner was planning to inaugurate the second section of the Esoteric School which was to deal in a direct way with a renewal out of his own spiritual research of ritual and symbolism He gave these lectures as a necessary preparation to clarify the history and nature of the cultic tradition He thus discusses principally Freemasonry and its background but also the Rosicrucians Manichaeism the Druids the Prometheus Saga the Lost Temple Cain and Abel and much else besides Book jacket *Temple Legend* Rudolf Steiner, 1997 At the time of these lectures Steiner was planning to inaugurate the second section of the Esoteric School which was to deal in a direct way with a renewal out of his own spiritual research of ritual and symbolism He gave these lectures as a necessary preparation to clarify the history and nature of the cultic tradition He thus discusses principally Freemasonry and its background but also the Rosicrucians Manichaeism the Druids the Prometheus Saga the Lost Temple Cain and Abel and much else besides **The Temple Legend** Rudolf Steiner, 1985 In these unique lectures first given to members of his Esoteric School 1904 14 Steiner throws light on the hidden content of the picture language of myths sagas and legends Pictures he explains are the real origin of all things the primeval spiritual causes Steiner discusses pictures and symbols in detail along with the history and nature of the cultic tradition Free masonry and its background the Rosicrucians Manichaeism the Druids the Prometheus Saga the Lost Temple Cain and Abel and more **The New Cain** T.H. Meyer, 2017-04-24 Who was Cain and what does he represent The first part of this book invites us to revise the traditional biblical view of Cain as his brother's murderer Rudolf Steiner shows how the original Cain was ready to sacrifice his being to something higher but this pure impulse was perverted into the desire to murder Our earthly knowledge has an affinity with the fallen Cain but there is also a path by which we can ascend to the condition of Cain before his fratricide through the stages of higher knowledge Only the descendants of Cain coming to full and real I development can sustain themselves in the face of earthly forces In the context of this primeval Cain or the new Cain the ritual ceremonies enacted by Steiner between 1905 and 1914 acquire their true meaning as a way to incorporate previously developed spirit knowledge into the human soul and into physical reality Here the practical occultist increasingly identifies with Hiram the central figure of the Temple Legend in order to realize the new Cain within him Meyer demonstrates the direct line from Rudolf Steiner's early rites of knowledge to the Class lessons of 1924 which Steiner had intended to reinvest with a ritual element Besides reflections by Rudolf Steiner and editor Thomas Meyer's commentary this volume includes important thoughts by Marie Steiner W J Stein

Ludwig Polzer Hoditz and Rudolf Geering Christ The final chapter is a lecture by D N Dunlop perhaps Steiner's most important pupil in the West that reveals the universally human core of the rituals we encounter both in traditional freemasonry and in Steiner's own rites

The Temple Legend Albert Gallatin Mackey, William R. Singleton, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work

The Freemason's Chronicle ,1876 The History of Freemasonry Albert Gallatin Mackey, 2012-03-07 Written by an expert on the craft this classic traces Freemasonry's origins from biblical times to its practice among America's founding fathers It also explores philosophical symbolic and ritual traditions
