**Billy the Kid** James B. Mills,2022-07-15 In the annals of American western history few people have left behind such lasting and far reaching fame as Billy the Kid Some have suggested that his legend began with his death at the end of Pat Garrett's revolver on the night of July 14 1881 in Fort Sumner Others believe that the legend began with his unforgettable jailbreak in Lincoln New Mexico several months prior on April 28 1881 Others still insist his legend began with the publication in 1926 of Walter Noble Burns

s book *The Saga of Billy the Kid* James B Mills has left no stone unturned in his twenty year quest to tell the complete story of Billy the Kid He explores the Kid s disputable origins his family s migration from New York into the Southwest and how he became an orphan as well as his involvement in the Lincoln County War his outlaw exploits and his dealings with Governor Lew Wallace Mills illuminates the Kid s relationships with his enemies lovers and numerous friends to contextualize the man s character beyond his death and legacy Most importantly Mills is the first historian to fully detail the Kid s relations with New Mexicans of Spanish descent So the question remains who really was the person the world knows as Billy the Kid Was he more than a young reprobate committed to a life of crime who relished becoming a famous outlaw and cold blooded self absorbed sociopath or thug that some still prefer him need him to be Or was he in fact the generally good hearted generous courteous young vigilante that so many remembered with considerable fondness who ultimately preferred the company of the more peaceable Hispanic population than his own Anglo people In this groundbreaking biography Mills takes the reader closer to the flesh and blood human being named Henry McCarty alias William H Bonney than ever before

**For the Liberty of Texas** Ralph Bonehill,1900 **For the Liberty of Texas** Edward Stratemeyer,1909 *For the Liberty of Texas* is a tale complete in itself but it forms the first of a line of three volumes to be known under the general title of Mexican War Series Primarily the struggle of the Texans for freedom did not form a part of our war with Mexico yet this struggle led up directly to the greater war to follow and it is probably a fact that had the people of Texas not at first accomplished their freedom there would have been no war between the two larger republics from the Preface
