

Thank you for listening to my rants all morning
I'm just a big ball of emotion

You are so important to me and I love being here with you, I love everyday with you

A whole huge section of that emotion ball is full of love for you

I love every day with you
I want you forever
I want you always

I'm here to hug you right now

You are welcome. I am focusing on serving you in the ways I can

I want you forever I want you always
