Triumph Over Tragedy:

Triumph Over Tragedy Carol S. Sheehan, 2007 She thought she had left her hellish life of abuse behind but more hell was waiting at the next intersection of life

Triumph Over Tragedy Carlton Payne, 2006 There are ups and downs in life If you are blessed you will have only a few Obstacles are things you trip over when you take your eye off the goal God builds gifts into you and only a fortunate few are able to recognize them and see that they are there Everybody has them Triumph Over Tragedy shines a light on your gifts that are so difficult to see It is drawn from the experiences of people from many walks of life

Do You Trust Me? Jessica Leigh Johnson, 2012-05-15 If God were to ask you Do you trust me your first instinct may be to answer Of course But what if you were asked that same question in the midst of terrible loss or great disappointment What would your answer be if God seemed distant even absent in your time of greatest need In Do You Trust Me Jessica Johnson gives you a vivid and honest look at her very personal struggles with faith prayer and trust in the midst of the most painful event of her life the loss of her infant son In 2006 Jessica and her husband were living the life they had always planned But several months after the birth of her third child Jessica was faced with the question Do you trust me in a way that she had never dreamed of before Out of the depths of despair comes a message of hope and faith so powerful it will encourage anyone who hears it Do You Trust Me is not just for those struggling with the loss of a child but anyone who has ever wondered Does God even listen when I pray Does he truly care about his children Hopefully after reading Do You Trust Me you will discover that the answer to these questions is a resounding Yes

Triumph over Tragedy Dr. C. Clifford Smith III, 2016-12-12 Triumph over Tragedy is a theological treatise in response to horrific and sudden deaths among Kingdom people It is intended to address the superficial and often inadequate cultural dialogue that swirls around us when we face death generally but most of all when we face tragic death The discussion in the book examines several perspectives on grieving one being the theological issue that when we view God as the taker of life more than the giver of life we run the risk of having a continual difficulty trusting Him to minister compassion and comfort Yet it remains one of the greatest tragedies in the minds of Christians today to speak of God having taken our loved ones away in death But isn't the presence and experience of death a part of being human And isn't the evil in this world part of God's permitted will and not His perfected will This book is a challenge to the Body of Christ to take another look at questions like these especially the incidence of sudden death and tragic loss It provides sound answers based on strict biblical interpretation and then it raises some other questions that we as believers may have never thought of asking
