True West:

Doc Holliday in Film and Literature Shirley Ayn Linder, 2014-01-30 The legend of Doc Holliday is now well past a century old While his time on earth was brief troubled and filled with pain his legend took wings and flew Beginning with his part in the now famous gunfight at the O K Corral Denver newspapers first told his story in the late 19th century They followed by words of Wyatt Earp grasped the glimmer of his tale So enamored was the public that by 1939 he was a literary icon and his character had appeared in eight films Historians authors screenwriters and eventually television refined the legend which reached its apex perhaps with the 1993 film Tombstone Doc Holliday s image has neither dimmed nor wavered in the 21st century Broadway country music and art join with literature and film to continue his mystique as the personification of a surviving legend of the U S West [Western Gunslingers in Fact and on Film](#) Buck Rainey, 1998-01-15 Billy the Kid Wild Bill Hickok Belle Starr Wyatt Earp the Younger Gang the Dalton Doolin Gang and Bat Masterson these real life lawmen and lawbreakers have been the basis of so many Hollywood Westerns that it has become difficult to discover where the truth ends and the legend begins All actually became larger than life characters during their lifetimes as contemporary newspapers and books embellished their deeds for their own purposes But it was in Hollywood that the line between reality and myth was completely blurred Each chapter length entry here first focuses on the known facts of the people s lives and how each became truly legendary during their lifetimes The reality is then compared to how they have been portrayed in the movies

The Making of Tombstone John Farkis, 2018-11-16 The day by day inside story of the making of Tombstone 1993 as told to the author by those who were there actors extras crew members Buckaroos historians and everyone in between Historical context that inspired Kevin Jarre s screenplay is included Production designers cameramen costume designers composers illustrators screenwriter journalists set dressers prop masters medics stuntmen and many others share their recollections many never before told of filming this epic Western

Tombstone Tom Clavin, 2020-04-21 THE INSTANT NATIONAL BESTSELLER Tombstone is written in a distinctly American voice T J Stiles The New York Times With a former newsman s nose for the truth Clavin has sifted the facts myths and lies to produce what might be as accurate an account as we will ever get of the old West s most famous feud Associated Press The true story of the Earp brothers Doc Holliday and the famous Battle at the OK Corral by the New York Times bestselling author of Dodge City and Wild Bill On the afternoon of October 26 1881 eight men clashed in what would be known as the most famous shootout in American frontier history Thirty bullets were exchanged in thirty seconds killing three men and wounding three others The fight sprang forth from a tense hot summer Cattle rustlers had been terrorizing the back country of Mexico and selling the livestock they stole to corrupt ranchers The Mexican government built forts along the border to try to thwart American outlaws while Arizona citizens became increasingly agitated Rustlers who became known as the cow boys began to kill each other as well as innocent citizens That October tensions boiled over with Ike and Billy Clanton Tom and Frank McLaury and

Billy Claiborne confronting the Tombstone marshal Virgil Earp and the suddenly deputized Wyatt and Morgan Earp and shotgun toting Doc Holliday Bestselling author Tom Clavin peers behind decades of legend surrounding the story of Tombstone to reveal the true story of the drama and violence that made it famous Tombstone also digs deep into the vendetta ride that followed the tragic gunfight when Wyatt and Warren Earp and Holliday went vigilante to track down the likes of Johnny Ringo Curly Bill Brocius and other cowboys who had cowardly gunned down his brothers That vendetta ride would make the myth of Wyatt Earp complete and punctuate the struggle for power in the American frontier s last boom town
