Truth About Relationships:

The Truth about Relationships Greg Baer,2001 Most of us don't understand what a relationship is. Instead of having a real relationship we spend our lives trying to get people to give us what we want and that always leads to unhappiness. This book teaches us how to have delightful relationships where Real Love is freely given and received. *The Truth about Relationships* Greg Baer,1998

The Brutal Truth about Relationships Sylvie Quinn,2016-02-23 Relationships are incredibly rewarding but the truth is that they require a lot of hard work. If you want lasting love you absolutely have to put some effort in. This book which explores the more practical aspects of building a life with the person you love will resonate with couples ready to embrace honesty in the name of strengthening their bond and anyone else committed to understanding intimacy for what it really is.

All's Love Yet All's Law James Logan Gordon,1914

Myths and Truths of the Cell Church Joel Comiskey,2016-11-23 Most of the modern day cell church movement is biblical dynamic and positive. Sadly errors and false assumptions have also crept in to confuse and lead astray an otherwise healthy movement. Joel Comiskey in this groundbreaking book exposes the myths of the cell church movement and then offers positive principles and insights to guide churches and leaders on the right path. Each chapter begins with a unique insight from a worldwide cell church leader who will share decades of wisdom in working with cell groups. These leaders include Ben Wong, Robert Lay, Mario Vega, Bill Beckham, Abe Huber, Jimmy Seibert, Scott Boren, Werner Kniesel, Randall Neighbour, Jim Egli, Steve Cordle, and Les Brickman. You will enjoy the insights of these leaders in the cell movement. This book will help you avoid pitfalls and apply biblical time-tested principles that will guide you into fruitful cell ministry. Whether you're starting out for the first time in cell ministry or a seasoned veteran, this book will give you the tools to help your ministry stay fresh and fruitful.

Most Evil Is Done by Good People Who Do Not Know That They Are Not Good Ferd L. Wagner,2010-05 This book takes the view that Christian truth is the basis for all answers to social issues and that there are not two opposing but equal answers within Christian truth that are equally valid and equally acceptable to God. Any so-called truth or right that circumvents or undercuts the required sacrifices, disciplines, and self-denial demanded by God in any given social or moral issue ceases to be truth, ceases to be right. The moment it becomes a force unto itself outside of or independent of the Scripturally required obedience, Human history has shown over the millennia that when the letter and spirit of God's laws are not obeyed, the truth is abused, nations become confused, and people are used. Many of our political and social issues are rooted in our misplaced belief that tolerance, inclusion, equal respect for unequal truth, and live and let live is the way to greater peace and prosperity. They are all wrong. Each individual government and nation is judged by their response to Christ. The Christian nation or one which ascribes to being one is tasked to set the Christian standard as every nation's point of reference. It is the Christian's duty to show that the valid rule of God's law, the letter of God's law, and the spirit of God's law are superior to any other alternative standard. The biggest obstacle to Christianity today is the undisciplined, misinformed, and unfaithful lifestyles of professing Christians.

The Church has become so indoctrinated in its aversion to any form of discrimination that it has placed a higher priority on keeping the peace by compromising than by keeping the truth by discriminating. By accepting a false peace and rejecting a hard truth that resists compromise it begets neither peace nor truth.

The Art of Lasting Relationships David W. McMillan, David W. McMillan, PH.D., 2001-12 Finding love is not a destination it is the beginning of a journey David W. McMillan writes Most people who fall in love hope and believe that their relationship will last Helping a relationship last has a lot to do with how the participants tell the story of that relationship and where they locate themselves within it Each couple has its own love story a story that is the essence of its relationship and that transcends time The Art of Lasting Relationships shows you how to take the shared history of how you met how you fell in love and how you overcame trials to create a love story that makes your relationship stronger more enduring and more soul satisfying
