Truth Of The Matter:

German Truth and a Matter of Fact John Mackinnon Robertson,1917 **Does Truth Matter?** Dr. Jean Maalouf,2025-06-26 In the heart of our hearts we know that without truth nothing is worth living or dying for This is why the pursuit of truth has been still is and will ever be a widely shared project of humankind But why then do we lie almost spontaneously Why does the epidemic of cheating cover all segments of society Why are we so apathetic in the face of hypocrisy Why do we have this need to lie Why do we refuse to allow the truth to free us What does make the fact of being genuine so terrifying and spine chilling Is the claim that truth is another name for opinions that suit societal demands of a time and space true Is truth changeable or eternal To these questions and to many more Dr Maalouf masterfully proposes sharp and bold answers that our world needs especially when facing the palpable and unwelcome decline in character values and virtues the very ground of civilization The truth is that without truth a civilization cannot survive This little book takes on a gigantic topic and makes it accessible and understandable to everyone With its groundbreaking and simple words this work is of tremendous intellectual courage in raising big issues without compromises It is a great contribution for the world of truth
