James Fenimore Cooper

Try Your Hand:

Try Your Hand at This Kathy MacMillan, 2005-11-10 American Sign Language is more than just an assortment of gestures. It is a full fledged unique language with all the characteristics of such. This helpful and user friendly guide for librarians and other library personnel involved in library programming demonstrates everything from how to set up programming involving sign language for all ages to dealing with and paying interpreters. The book also discusses how to publicize programs to the public and within the deaf community and how to evaluate and improve the library's sign language collection. Kathy MacMillan's impressive understanding and knowledge of the deaf community and the importance of sign language, as well as her exceptional handling of the numerous erroneous myths about deafness and sign language that are unfortunately still often current, make this handbook an indispensable tool for all library personnel looking to reach out to the deaf and hard of hearing community.

5 Minute Psychotherapy Techniques Jenny H. Hsueh, 2023-12-12 Five Minute Psychotherapy Techniques is a one stop resource that makes psychotherapy from many schools of thought easy to learn and apply. The techniques are trauma informed, evidence based and drawn from mindfulness, body based therapy, cognitive behavioural therapy, mentalization based therapy, interpersonal therapy, dialectical behavioural therapy, psychoanalysis and hypnotherapy. These straight forward techniques can be used to treat many different mental health concerns including anxiety, depression, substance use, post traumatic stress disorder and relationship challenges. Each technique is presented alongside a concise verbal script so it can be used even under tight time constraints. Dr Hsueh empowers clinicians to guide patients through effective interventions while sticking to their preferred appointment length.
