

# UNCOMMON DEMOCRACIES

THE ONE-PARTY  
DOMINANT REGIMES

EDITED BY

T. J. PEMPEL

# Uncommon Democracies

**Hussin A.Rothana**

## **Uncommon Democracies:**

*Uncommon Democracies* T. J. Pempel, 2019-05-15 In this collection of original essays thirteen country specialists working within a common comparative frame of reference analyze major examples of long term single party rule in industrialized democracies They focus on four cases Japan under the Liberal Democratic party since 1955 Italy under the Christian Democrats for thirty five or more years starting in 1945 Sweden under the Social Democratic party from 1932 until 1976 and again from 1982 until present and Israel under the Labor party from pre statehood until 1977 Anti-Political

Establishment Parties Amir Abedi, 2004-07-31 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company

**Critical Readings on the Liberal Democratic Party in Japan** Robert Pekkanen, 2018-10-02 This work collects decades of the best published scholarship in English on the unequivocally most successful political party in Japanese history the Liberal Democratic Party the LDP Governing Japan for almost the entirety of the post war period the LDP also has a claim to be the most successful political party in any post war democracy Seminal articles in this collection explore the key aspects of the LDP the party s evolution since its founding in 1955 key facets of the LDP s internal organization including factions and koenkai the LDP in policy making including its relationship with the bureaucracy and interest groups as well as its policy making committee apparatus and party leadership including the premierships of Junichiro Koizumi and Shinzo Abe

## **Comparative Democratization and Peaceful Change in Single-Party-Dominant Countries** M.

Rimanelli, 2016-01-26 One of the more positive international trends as of late has been the transformation of several countries from authoritarian based dictatorships and single party systems into multi party democracies characterized by peaceful political transitions In this volume a group of experts are gathered to analyse this progression on a comparative level The scholars examine previously right wing regimes in Brazil Argentina and South Africa former Communist states in Russia Poland Hungary and Czechoslovakia and single party dominant democracies in Italy Japan Mexico and Israel The essays reveal how the dramatic collapse of the USSR functioned as a crucial catalyst in allowing pent up domestic pressures for change to emerge in a less charged international environment In addition the chapters study the historical and current evolution of these countries focusing on their success in developing long term pluralistic structures and gauging whether these recent trends are more overnight fads than long lasting advancements

**Japan's Postwar Party Politics** Masaru Kohno, 2020-11-10 In this sophisticated theoretical work Masaru Kohno presents a systematic reexamination of the evolution of party politics in Japan since the end of the second World War Because of the long one party dominance by the Liberal Democratic Party Japan s parliamentary democracy has often been viewed as unique in the developed world and most of the existing studies of Japanese party politics have addressed such determinants as its political culture historical background and socio ideological cleavages According to the author these explanations do not adequately account for some of the most important changes that took place in Japanese party politics during the postwar period This study advances an alternative set

of interpretations based on a microanalytic approach that highlights the incentive and bargaining power of individual political actors and their competitive and strategic behavior under existing institutional constraints According to Kohno the evolution of political life in postwar Japan depends on the same factors that are acknowledged to be at work in other industrialized nations He reveals through detailed case studies of government formation processes and statistical examinations of candidate nomination patterns that the microanalytic approach can establish forward looking and internally consistent interpretations of the postwar development of Japanese party politics Because Japan has usually been treated as a country of unique cultural historical and societal characteristics the analyses of this study point to the broader applicability of the microanalytic approach in the field of comparative politics especially for the exploration of party competition in advanced industrial democracies

*The Government Party* R. Kenneth Carty,2022 This book examines long term single party dominance in modern democracies

**Dominant Political Parties and Democracy** Matthijs Bogaards,Françoise Boucek,2010-06-10 This book examines dominant parties in both established democracies and new democracies and explores the relationship between dominant parties and the democratic process Combining theoretical and empirical research and bringing together leading experts in the field it features case studies on Japan Canada Germany Mexico Italy France and South Africa

**Building Democracy** ,1996 The booklet provide a summary of proceedings of a conference presented by the Namibia Institute for Democracy in Windhoek on 30 November 1996

Party Dominance and Factionalism Junko Kato,1994

**The Awkward Embrace** Charles Simkins,2005-08-08 Democracies derive their resilience and vitality from the fact that the rule of a particular majority is usually only of a temporary nature By looking at four case studies The Awkward Embrace studies democracies of a different kind rule by a dominant party which is virtually immune from defeat Such systems have been called Regnant or or Uncommon Democracies They are characterized by distinctive features the staging of unfree or corrupt elections the blurring of the lines between government the ruling party and the state the introduction of a national project which is seen to be above politics and the erosion of civil society This book addresses major issues such as why one such democracy namely Taiwan has been moving in the direction of a more competitive system how economic crises such as the present one in Mexico can transform the system how government business relations in Malaysia are affecting the base of the dominant party and whether South Africa will become a one party dominant system

Japan's New Party System Ronald J Hrebenar,2000 In the summer of 1993 Japanese politics changed fundamentally from the pattern which had been the norm since 1955 No longer does the Liberal Democratic Party LDP rule national level politics without the need to resort to coalitions and lesser parties Even more significant are the two non LDP governments formed under Prime Ministers Hosokawa and Hata No longer is the opposition dominated by the never to govern Socialist Party By December 1994a new opposition party emerged from nine former opposition parties to move Japan towards a two party system

Works Edward Bulwer Lytton Baron Lytton,1881

*The Parisians* Edward Bulwer Lytton Baron Lytton,1874

**The Novels and**

**Romances of Edward Bulwer Lytton (Lord Lytton).: Paul Clifford** Edward Bulwer Lytton Baron Lytton,1897     **Lord Lytton's Novels** ,1875     Novels of Life and Manners Edward Bulwer Lytton Lytton,1874     *Lord Lytton's Novels: & 27]*  
*The Parisians* Edward Bulwer Lytton Baron Lytton,1875     *Comparative Politics* Gregory S. Mahler,2003 An exceptionally clear jargon free writing style and an emphasis on political institutions and behavior rather than on abstract conceptual frameworks make this volume consistently more accessible to readers than most others on comparative politics It features both across national approach permitting readers to develop a truly comparative understanding of the types of institutions e g constitutions executives legislatures political parties etc as well as a country by country approach that examines those institutions within the context of eight different countries enabling readers to see how all the pieces fit together The volume analyzes comparative political analysis constitutions and ideologies political development and political economics legislatures and legislative structures the executive judiciary and the legal order interest groups political parties and the individual and the political environments of The British French German Japanese Canadian Mexican Nigerian and Russian political systems For those interested in a comprehensive look at comparative politics     *Littell's Living Age* ,1913     The Living Age ,1873

### **Uncommon Democracies Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Uncommon Democracies has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Uncommon Democracies has opened up a world of possibilities. Downloading Uncommon Democracies provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Uncommon Democracies has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Uncommon Democracies. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Uncommon Democracies. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Uncommon Democracies, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Uncommon Democracies has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Uncommon Democracies Books**

1. Where can I buy Uncommon Democracies books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Uncommon Democracies book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
