

THE GREAT WAR

War War War

Gwynne Dyer

War War War:

War Gwynne Dyer, 2005 Combining archaeology anthropology and strategic theory the author explores the causes of war and reveals its role in society while contemplating whether or not it can be banished from human experience Library of Congress Subject Headings Library of Congress, 2010 **War** Paul Seabury, Angelo Codevilla, 1989-05 On the aspect of war its causes methods endings and justifications Includes discussions of the judgements involved in going to war combat operations intelligence gathering and making peace Annotation copyrighted by Book News Inc Portland OR **War: A Short History** Jeremy Black, 2009-08-25 In this concise history of war Jeremy Black ranges widely giving due attention to non western as well as western traditions The history of war is inextricably bound to the history of the world Through a detailed exploration of world scale issues of warfare presented within a chronological framework that spans human history Jeremy Black skilfully illustrates this fact whilst providing the reader with other astute insights and compelling interpretations of war War A Short History is a dramatic move away from the formulaic western approach to military history Too narrow in its focus on wars specific to the west and too simple because of an over reliance on a technologically deterministic reading of warfare this approach has been rejected by Jeremy Black in favour of a global model that takes all factors into account when considering the strengths and weaknesses of a particular military tradition This is a book that is as important for its relevance to current world issues of conflict as it is for its thorough consideration of a monumentally significant aspect of human history <http://history.black.continuumbooks.com> **Twentieth-Century War and Conflict** Gordon Martel, 2014-06-27 TWENTIETH CENTURY WAR AND CONFLICT With rich entries that highlight the political context strategic significance and tactical detail of each conflict this encyclopedia is an essential reference for students of military history and strategic studies Theo Farrell King's College London Drawn from the award winning five volume Encyclopedia of War Choice Outstanding Academic Title 2013 the single volume Twentieth Century War and Conflict provides an essential guide to the conflicts and concepts that shaped warfare in the twentieth century and up to the present day This concise reference contains a range of entries from 1 000 to 6 000 words long each written by a leading international scholar This concise encyclopedia provides full coverage of global conflicts and themes in twentieth century war World Wars I and II are covered by 10 separate entries Lesser conflicts are also incorporated in this volume including the Russo Japanese War the Greco Turkish War the Falklands War the Soviet War in Afghanistan the Gulf Wars and more Issues such as chemical warfare ethnic cleansing psychological warfare and women and war also receive substantial treatment making this an invaluable resource for students and general readers alike The Foreign Policy of Europe Lewis Appleton, 1892 **A Short History of War** Jeremy Black, 2021-09-28 A wonderfully engaging accessible introduction to war from ancient times to the present and into the future Throughout history warfare has transformed social political cultural and religious aspects of our lives We tell tales of wars past present and future to create and reinforce a common purpose In this engaging overview

Jeremy Black examines war as a global phenomenon looking at the First and Second World Wars as well as those ranging from Han China and Assyria Imperial Rome and Napoleonic France to Vietnam and Afghanistan Black explores too the significance of warfare more broadly and the ways in which cultural understandings of conflict have lasting consequences in societies across the world Weaponry Black argues has had a fundamental impact on modes of war it created war in the air and transformed it at sea Today as twentieth century weapons are challenged by drones and robotics Black examines what the future of warfare looks like

Understanding War Christian P. Potholm,2016-08-03 The third book in Professor Christian Potholm s war trilogy which includes Winning at War and War Wisdom Understanding War provides a most workable bibliography dealing with the vast literature on war and warfare As such it provides insights into over 3000 works on this overwhelmingly extensive material Understanding War is thus the most comprehensive annotated bibliography available today Moreover by dividing war material into eighteen overarching themes of analysis and fifty seminal topics and focusing on these Understanding War enables the reader to access and understand the broadest possible array of materials across both time and space beginning with the earliest forms of warfare and concluding with the contemporary situation Stimulating and thought provoking this volume is essential for an understanding of the breadth and depth of the vast scholarship dealing with war and warfare through human history and across cultures

The Shortest History of War Gwynne Dyer,2022-08-02 A brisk account of this defining feature of human society from prehistory to nuclear proliferation and lethal autonomous weapons The Shortest History books deliver thousands of years of history in one riveting fast paced read War has changed but we have not From our hunter gatherer ancestors to the rival nuclear powers of today whenever resources have been contested we ve gone to battle Acclaimed historian Gwynne Dyer illuminates our many martial clashes in this brisk account tracing warfare from prehistory to the world s first cities and on to the thousand year classical age of combat which ended when the firearm changed everything He examines the brief interlude of limited war before eighteenth century revolution ushered in total war and how the devastation was halted by the nuclear shock of Hiroshima Then came the Cold War and Russia s invasion of Ukraine which punctured the longest stretch of peace between major powers since World War II For all our advanced technology and hyperconnected global society we find ourselves once again on the brink as climate change heightens competition for resources and superpowers stand ready with atomic bombs drones and futuristic autonomous weapons in development Throughout Dyer delves into anthropology psychology and other relevant fields to unmask the drivers of conflict The Shortest History of War is for anyone who wants to understand the role of war in the human story and how we can prevent it from defining our future The Shortest History books deliver thousands of years of history in one riveting fast paced read
